CITY OF HAYSVILLE

Regular City Council Meeting

Minutes

September 8, 2025

CALL TO ORDER

The regular meeting of the Haysville City Council was called to order at 7:00 p.m. by Mayor Russ Kessler in the Haysville Municipal Building, 200 West Grand Avenue.

ROLL CALL

Present: Justin Bruster, Danny Walters, Bob Rardin, Pat Ewert, Dan Benner, Janet Parton, Steve Crum, and Dale Thompson.

INVOCATION – Kurt Henson, Haysville Christian Church

PLEDGE OF ALLEGIANCE

SPECIAL ORDER OF BUSINESS

- A. Mayor Kessler proclaimed September 17th -23rd, 2025 as Constitution Week and urged all citizens to study the Constitution and reflect on the privilege of being an American. The proclamation was presented to the members of the Flores Del Sol Chapter of the Daughters of the American Revolutionary War.

PRESENTATION AND APPROVAL OF MINUTES

- A. The minutes of the August 11, 2025, Regular City Council Meeting were presented for approval.

Motion by Benner, seconded by Ewert, to approve the minutes of the August 11, 2025 meeting. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #1 PUBLIC COMMENT

There were none.

ITEM # 2 APPROVAL OF LICENSES AND BONDS

There were none.

ITEM #3 INTRODUCTION OF ORDINANCES AND RESOLUTIONS

- A. Bret Shogren with Stifel Public Finance presented the bids for the General Obligation (G.O.) Bonds, Series A, 2025, for the permanent financing of the Wheatland Village Addition and the Grand and Plaza Addition infrastructure improvements. Shogren stated Moody's Investors Service reaffirmed the City's A2 rating and a total of 6 bids were received. The best bid was from Raymond James at a true interest cost of 3.872323%. He reminded Council that payments from special assessment taxes will begin in December of 2026. The bond issue is scheduled to close on September 30, 2025. Three action items were presented for consideration – accept the best bid provided by Raymond James and Associates, the bond ordinance authorizing and issuing the G.O. Bonds, and a resolution directing the sale of the G.O. Bonds.

Motion by Parton, seconded by Thompson, to accept the bid from Raymond James and Associates. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF GENERAL OBLIGATION BONDS, SERIES 2025-A, OF THE CITY OF HAYSVILLE, KANSAS; PROVIDING FOR THE LEVY AND COLLECTION OF AN ANNUAL TAX FOR THE PURPOSE OF PAYING THE PRINCIPAL OF AND INTEREST ON SAID BONDS AS THEY BECOME DUE; AUTHORIZING CERTAIN OTHER DOCUMENTS AND ACTIONS IN CONNECTION THEREWITH; AND MAKING CERTAIN COVENANTS WITH RESPECT THERETO.

Motion by Parton, seconded by Benner, to approve the ordinance as presented. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

- B. A RESOLUTION PRESCRIBING THE FORM AND DETAILS OF AND AUTHORIZING AND DIRECTING THE SALE AND DELIVERY OF GENERAL OBLIGATION BONDS, SERIES 2025-A, OF THE CITY OF HAYSVILLE, KANSAS, PREVIOUSLY AUTHORIZED BY ORDINANCE NO. 1145 OF THE ISSUER; MAKING CERTAIN COVENANTS AND AGREEMENTS TO PROVIDE FOR THE PAYMENT AND SECURITY THEREOF; AND AUTHORIZING CERTAIN OTHER DOCUMENTS AND ACTIONS CONNECTED THEREWITH.

Motion by Crum, seconded by Ewert, to approve the resolution as presented. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

- C. Public Works Director Tony Martinez presented AN ORDINANCE ESTABLISHING A RESIDENTIAL BUILDING STANDARDS CODE FOR THE CITY OF HAYSVILLE, KANSAS. This ordinance applies to residential structures that are non-owner-occupied. The intent is to safeguard health, safety, and welfare of tenants. Councilmember Walters stated it sounds like it is due. Councilmember Benner asked if owners will be required to have an inspection of rental property completed prior to renting the property. Martinez said at this time a yearly inspection will not be required.

Motion by Crum, seconded by Parton, to approve AN ORDINANCE ESTABLISHING A RESIDENTIAL BUILDING STANDARDS CODE FOR THE CITY OF HAYSVILLE, KANSAS as presented. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #4 NOTICES AND COMMUNICATIONS

- A. Under Governing Body Announcements, Councilmember Crum announced upcoming events at the Haysville Community Library. Mayor Kessler announced upcoming events at the Haysville Senior Center. Mayor Kessler also thanked the 19 participants who assisted with Riggs Park clean up as part of National Clean up Week. Mayor Kessler stated he had been to Freeman Elementary to talk to 5th graders about local government. He also announced the next Sedgwick County Association of Cities (SCAC) next meeting is September 13th in Bentley. Mayor Kessler also stated he spoke with Wichita representatives about installing a sidewalk between 63rd and 55th to connect Haysville to Wichita.
- B. Councilmembers received a memorandum regarding New Business Licenses.
- C. Councilmembers received a memorandum regarding Door-to-Door Licenses.
- D. Councilmembers received the Sedgwick County Fire Department Station 34 Monthly Report.
- E. Councilmembers received an email from Cox Communications.

ITEM #5 OLD BUSINESS

- A. Mayor Kessler requested Council update the city's pay chart by adjusting pay bands "R" and "S" to the recommended salary ranges as presented in the 2024 Compensation Study. There was a discussion on the rate increase compared to inflation. It was state the proposed increase in wages was 13.4% and the increase in the Consumer Price Index since the last rate adjustment for those positions was 17.7%.

Motion by Walters, seconded by Ewert, to approve the pay band as presented. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #6 OTHER BUSINESS

- A. Mayor Kessler formally opened the Public Hearing on the Revenue Neutral Rate at 7:32 p.m. Mayor Kessler asked if any members of the audience wished to speak concerning the proposed mill rate. There were none. He then asked for any Council discussion. There was none.

Motion by Crum, seconded by Ewert, to exceed the Revenue Neutral Rate and adopt A RESOLUTION OF THE CITY OF HAYSVILLE, KANSAS, TO LEVY A PROPERTY TAX RATE EXCEEDING THE REVENUE NEUTRAL RATE as presented. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

Mayor Kessler then formally closed the Revenue Neutral Rate public hearing for the Proposed 2026 Budget at 7:34 p.m.

- B. Mayor Kessler formally opened the Public Hearing on the Proposed 2026 Budget at 7:34 p.m. Mayor Kessler asked if any members of the audience wished to speak for or against the proposed budget. There were none. Mayor Kessler then formally closed the public hearing for the Proposed 2026 Budget at 7:35. He then asked for any Council discussion. There was none.

Motion by Parton, seconded by Ewert, to adopt the Proposed 2026 Budget as presented. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

- C. Public Works Director Tony Martinez requested authorization to purchase ten fire hydrants from Core & Main for a total of \$29,050.00.

Motion by Parton, seconded by Walters, to approve the purchase of ten fire hydrants from Core & Main for a total of \$29,050.00. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

- D. Public Works Director Tony Martinez requested authorization to purchase two Wright Stander commercial mowers for a total of \$32,760.00 from Maximum Outdoor Equipment and Service, Inc.

Motion by Walters, seconded by Ewert to approve the purchase of two commercial mowers. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

- E. Recreation Director Rob Arneson requested approval to purchase a 2025 Ford Ranger from Mel Hambleton Ford, totaling \$44,600.00. There was discussion on electric vehicles and cost.

Motion by Crum, seconded by Walters, to approve the purchase of a 2025 Ford Ranger from Mel Hambleton Ford, totaling \$44,600.00. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #7 DEPARTMENT REPORTS

Deputy Administrative Officer Georgie Carter announced the upcoming Gathering at the Gazebo and Art Walk in the Historic District.

City Clerk Angie Fulton announced City Offices will be closed October 13th in observance of Columbus Day, making the next Council Meeting on Tuesday, October 14th.

Chief of Police Jeff Whitfield introduced the visiting officer, Master Police Officer Aaron Watkins, who is currently a School Resource Officer at Campus High School.

Public Works Director Tony Martinez announced upcoming dates for Recycling Center to be open. He also gave an update on Sarah Lane project as we are still waiting on some materials and approvals.

Recreation Director Rob Arneson announced upcoming recreation registrations.

ITEM #8 APPOINTMENTS

- A. Appointment of Mayor Russ Kessler and Chief Administrative Officer Will Black as Haysville's voting delegates at the League of Kansas Municipalities Annual Business Meeting.

Motion by Benner, seconded by Walters, to approve electing Mayor Russ Kessler and Chief Administrative Officer Will Black as Haysville's voting delegates. The motion was carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #9 EXECUTIVE SESSION

There was no Executive Session.

ITEM #10 REVIEW OF EXPENDITURES

- A. A summary of August expenditures was presented.

Motion by Ewert, seconded by Rardin, to receive and file the August expenditures. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #11 CONSENT AGENDA

- A. Temporary Special Event Permit Application for Consumption on Public Property
Re: Silent Disco in the HAC Rental Room Approved Area
- B. Temporary Special Event Permit Application for Consumption on Public Property
Re: Baby Shower (11/15/25) in the HAC Rental Room Approved Area
- C. Temporary Special Event Permit Application for Consumption on Public Property
Re: Baby Shower (11/22/25) in the HAC Rental Room Approved Area

Motion by Parton, seconded by Benner, to accept the consent agenda. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

ITEM #12 COUNCIL ITEMS

- A. Under Council Concerns, Councilmember Parton asked about our Kansas Open Records Act violation fine. Chief Administrative Officer Will Black stated City employees attended required training. Councilmember Walters and Councilmember Bruster discussed the American Red Cross “Sound the Alarm” smoke detector installation event.
- B. Public Works Director Tony Martinez gave an update on Council Action Requests.

ITEM #13 ADJOURNMENT

Motion by Rardin, seconded by Ewert, to adjourn. The motion carried by the following vote:

Yes: Bruster, Walters, Rardin, Ewert, Benner, Parton, Crum, Thompson

The Regular City Council Meeting ended at 7:52 p.m.

Angela Fulton, City Clerk

CITY OF HAYSVILLE, KANSAS

PLANNING/ZONING DEPARTMENT- 200 W. GRAND AVE., P.O. BOX 404
HAYSVILLE, KANSAS 67060 - PH (316) 529-5900 | FAX (316) 529-5925

MEMORANDUM

TO: The Honorable Russ Kessler, Mayor
Haysville City Council Members

FROM: Haysville Planning Commission
Kailyn Hogan, Planning and Zoning Administrator

SUBJECT: Conditional Use Permit for the construction of an Accessory Apartment for property generally located 200 feet south of West 63rd Street and 1/3 mile west of South Broadway Avenue (203 West Sunflower Drive)

DATE: October 14, 2025

The applicant is requesting a Conditional Use Permit to construct an Accessory Apartment in their backyard to accommodate their mother. The permit was jointly requested with a Variance from the minimum size of a dwelling in the "SF" Single-Family District, which was approved by the Board of Zoning Appeals on September 25, 2025.

The Planning Commission reviewed and recommended approval of the Conditional Use Permit at the September 25, 2025 meeting, subject to the conditions as listed in the staff report. The commission was concerned with the applicant's ability to comply with staff's recommended conditions and the location of existing utilities in relation to the Accessory Apartment. The applicant had no issues with compliance and was already in discussion with utility companies. The conditions are as follows:

- (1) Any access pathways to the Accessory Apartment located in side or rear yards must have a sight obscuring screening of not less than six (6) feet in height between the access pathway and any abutting residential property.

Attached for your review is the staff report presented to the Planning Commission, the minutes, and the site plan.

The governing body may take one of the following three actions when the Planning Commission submits a recommendation for approval or disapproval of a conditional use:

- Approve the Planning Commission's recommendation via resolution by a simple majority vote of the entire membership of the governing body (5 votes).
- Deny the Planning Commission's recommendation by a 2/3rd majority vote of the entire membership of the governing body (6 votes).
- Return the recommendation to the Planning Commission for further consideration with a statement specifying the basis for the governing body's failure to approve or disapprove by a simple majority vote of the entire membership of the governing body (5 votes).

Haysville Planning Commission Staff Report

CON 2025-004

CASE SUMMARY

Property Location: 203 West Sunflower Drive
Applicant: Paige Rounds (property owner)
Request: To allow an accessory apartment in the "SF" Single-Family Residential District
Reason for Request: To construct an accessory apartment to accommodate the applicant's mother

Prepared By: Kailyn Hogan, Planning and Zoning Administrator
Meeting Date: September 25, 2025
Public Hearing: Required, to be held by the Planning Commission

Required Applications:

Conditional Use	To allow an accessory apartment in the "SF" Single-Family Residential District
Variance	From the minimum size of dwelling in the "SF" Single-Family Residential District

ANTICIPATED MEETING SCHEDULE

Body	Meeting Date	Action
Planning Commission	September 25, 2025	Hold required public hearing. Make a recommendation for approval, approval with modifications, or denial of the request. Recommendation is forwarded to City Council.
City Council	October 14, 2025	Adopt the recommendation of the Planning Commission as presented, override the recommendation, or return the recommendation to the Planning Commission.

SITE DATA

Legal Description	Lot 39, Block 2, Ward's 4 th Addition to Sedgwick County
Existing Zoning	"SF" Single-Family Residential
Lot Area	12,666 square feet / 0.291 acres
Future Land Use	Residential
Built Form	Single-Family dwelling

BACKGROUND

SITE DESCRIPTION AND PRESENT USE. The property under consideration is generally located 200 feet south of West 63rd Street and a third of a mile west of South Broadway Avenue, and is more generally known as 203 West Sunflower Drive. The subject site is 0.291 acres and is zoned “SF” Single-Family Residential. It was platted in 1951 as Lot 39, Block C, Ward’s 4th Addition to Sedgwick County and later annexed into the City. The property is currently developed with a single-family dwelling.

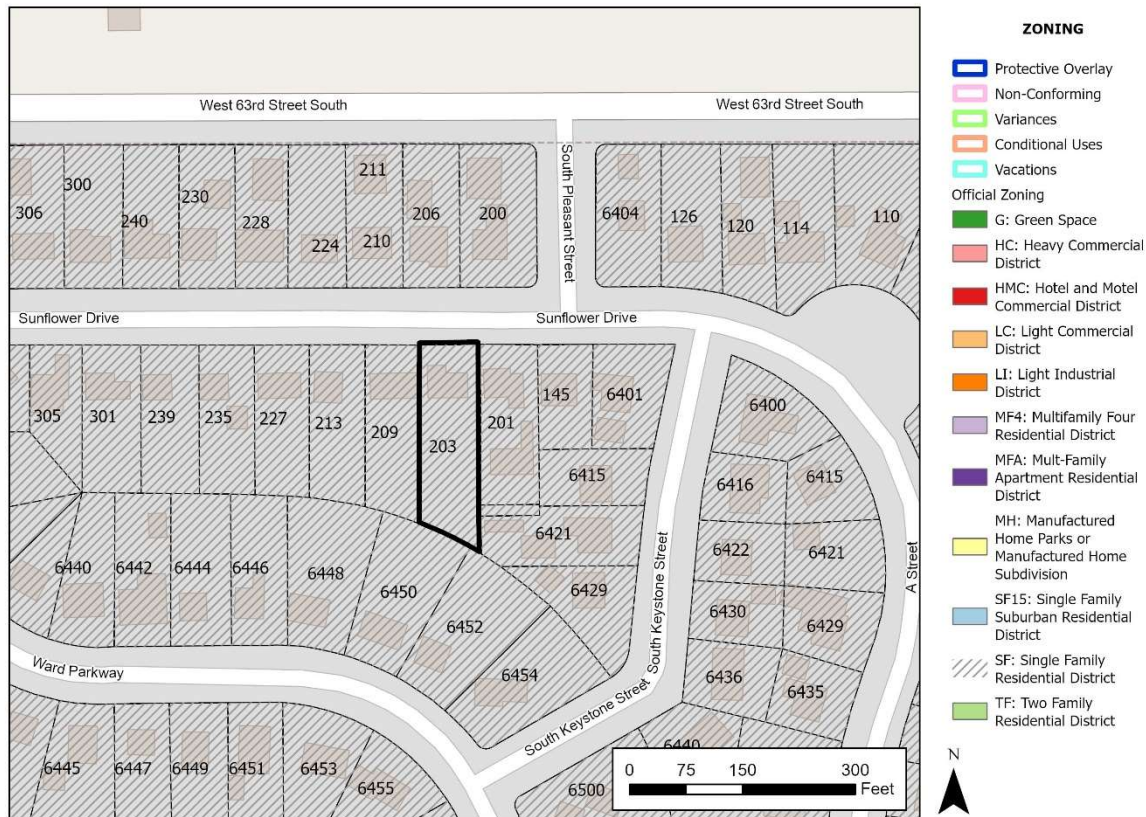

The property has access to West Sunflower Drive, a paved two-lane road. The property is connected to city water and sewer as well.

The applicant is jointly requesting a variance from the minimum size of a dwelling in the “SF” Single-Family Residential district. There are no other known zoning cases associated with the property.

SURROUNDING PROPERTIES AND NEIGHBORHOOD. The character of the neighborhood is single-family residential. Property to the north, south, east and west is zoned “SF” Single-Family Residential and developed with single-family homes.

ADJACENT ZONING AND LAND USE.

NORTH:	“SF” Single-Family Residential	Single-family dwelling
SOUTH:	“SF” Single-Family Residential	Single-family dwelling
EAST:	“SF” Single-Family Residential	Single-family dwelling
WEST:	“SF” Single-Family Residential	Single-family dwelling

PROJECT DESCRIPTION. The applicant is requesting a conditional use to allow the construction of a 400 sq. ft. Accessory Apartment in the “SF” Single-Family Residential District. The accessory apartment, or ADU, will accommodate the applicant’s mother. The proposed ADU will allow the applicant’s mother to live independently while remaining close enough for the applicant to provide daily support. The arrangement will enhance family welfare, safety, and well-being and is not intended to create rental or short-term lodging activity.

An Accessory Apartment is defined as, “*an accessory use dwelling unit that may be wholly within, or may be detached from, a principal single-family dwelling unit. Commercial or Industrial district, security only, not as a primary residence.*”

PUBLIC COMMENTS. The public hearing notice was first mailed to the notification area on August 21, 2025. The notice was published and remailed on September 4, 2025 after finding the notice was not sufficiently published in August. At the time of publication, staff had not received any comment on the conditional use request. Comments received after the publication of this staff report will be distributed at the meeting.

ANALYSIS

CONFORMANCE TO CURRENT PLANS AND POLICIES. The requested conditional use is in conformance with the *City of Haysville’s Comprehensive Plan*. It meets the Housing goal, “to provide a variety of housing choices for current and future populations,” and the Housing objective “to provide a diversity in housing types and styles.”

The *City of Haysville’s Comprehensive Plan* includes the 2023 Land Use Plan Map. The Map dedicates the subject site as appropriate for Residential Uses. The proposed use, an accessory apartment, is a residential use.

RESPONSES FROM UTILITIES AND AFFECTED PROPERTY OWNERS.

The City Engineer had no comments.

Sedgwick County Fire District 1 made no comment on the conditional use.

Kansas One Gas reviewed the conditional use and found that the KGS service line for the property will be in conflict with the ADU. A utility map is attached to this staff report.

Evergy reviewed the conditional use and found a conflict with the overhead line servicing the property. All required clearances must be met.

Cox had no issues with the conditional use.

FINDINGS. The following criteria shall be evaluated as they relate to the specific case being considered, and such stipulation as deemed appropriate in relation to any request for a conditional use may be developed by the Commission and incorporated into any recommendation in support of the requested conditional use.

1. Access and traffic load and/or flow.

- a. Access. Access to the property will be from West Sunflower Drive, a paved two-lane road. Access to the ADU will be from an established gravel drive to the east of the property owner’s hard surface drive. The gravel driveway will be extended to reach the ADU. Such gravel driveway runs along the east property line.

- b. Traffic load. The proposed use will not substantially increase the traffic load on West Sunflower Drive. Only one additional vehicle will need to access the property.
 - c. Traffic flow. The proposed use should not affect traffic flow on West Sunflower Drive. No new driveways are proposed. Normal traffic flow should not be interrupted.
2. Noise, light, and odor. There is no anticipated negative increase in odor, dust, smoke, noise, vibration, or light from this facility. Any additional outdoor lighting must be positioned away from adjacent residential property.
 3. Screening and security fencing. Appendix E, Section 500-B.2.c.i.D requires all access pathways to be screened by a minimum six-foot tall fence. Such requirement should be enforced considering the proximity of the gravel drive to neighboring property. Currently, the property is screened by a four-foot tall fence.
 4. Parking. Per Appendix E, Section 500-C, the applicant is required to provide one off-street parking space for the ADU. On the attached site plan, you will see a lean-to (carport) to the east of the ADU. Such lean-to is of sufficient size to provide one off-street parking space.

On-street parking is available on West Sunflower Drive in addition to the required off-street parking.

Per Appendix E, Section 500-B.2.c.i.B, such off-street parking space may be an all-weather surface because it is located in the rear yard.

5. Services.
 - a. Water. The property is connected to city water.
 - b. Sanitary Sewer. The property is connected to city sewer.
 - c. Electricity. Electricity is available provided by Evergy.
 - d. Natural Gas. Natural gas is available provided by Kansas One Gas.
 - e. Communications. Communications is available provided by Cox or AT&T.
6. Public health and safety. There is no anticipated detrimental effect to the public health or safety from the proposed use.
7. Adequacy of facility and lot size. The size of the lot is adequate for the proposed use. The ADU will be able to meet all required setbacks.
8. Signs. The applicant has not requested any signage at this point in time.
9. Review by fire marshal for designation. The Fire Marshall made no comment on the conditional use.
10. Other considerations as appropriate.

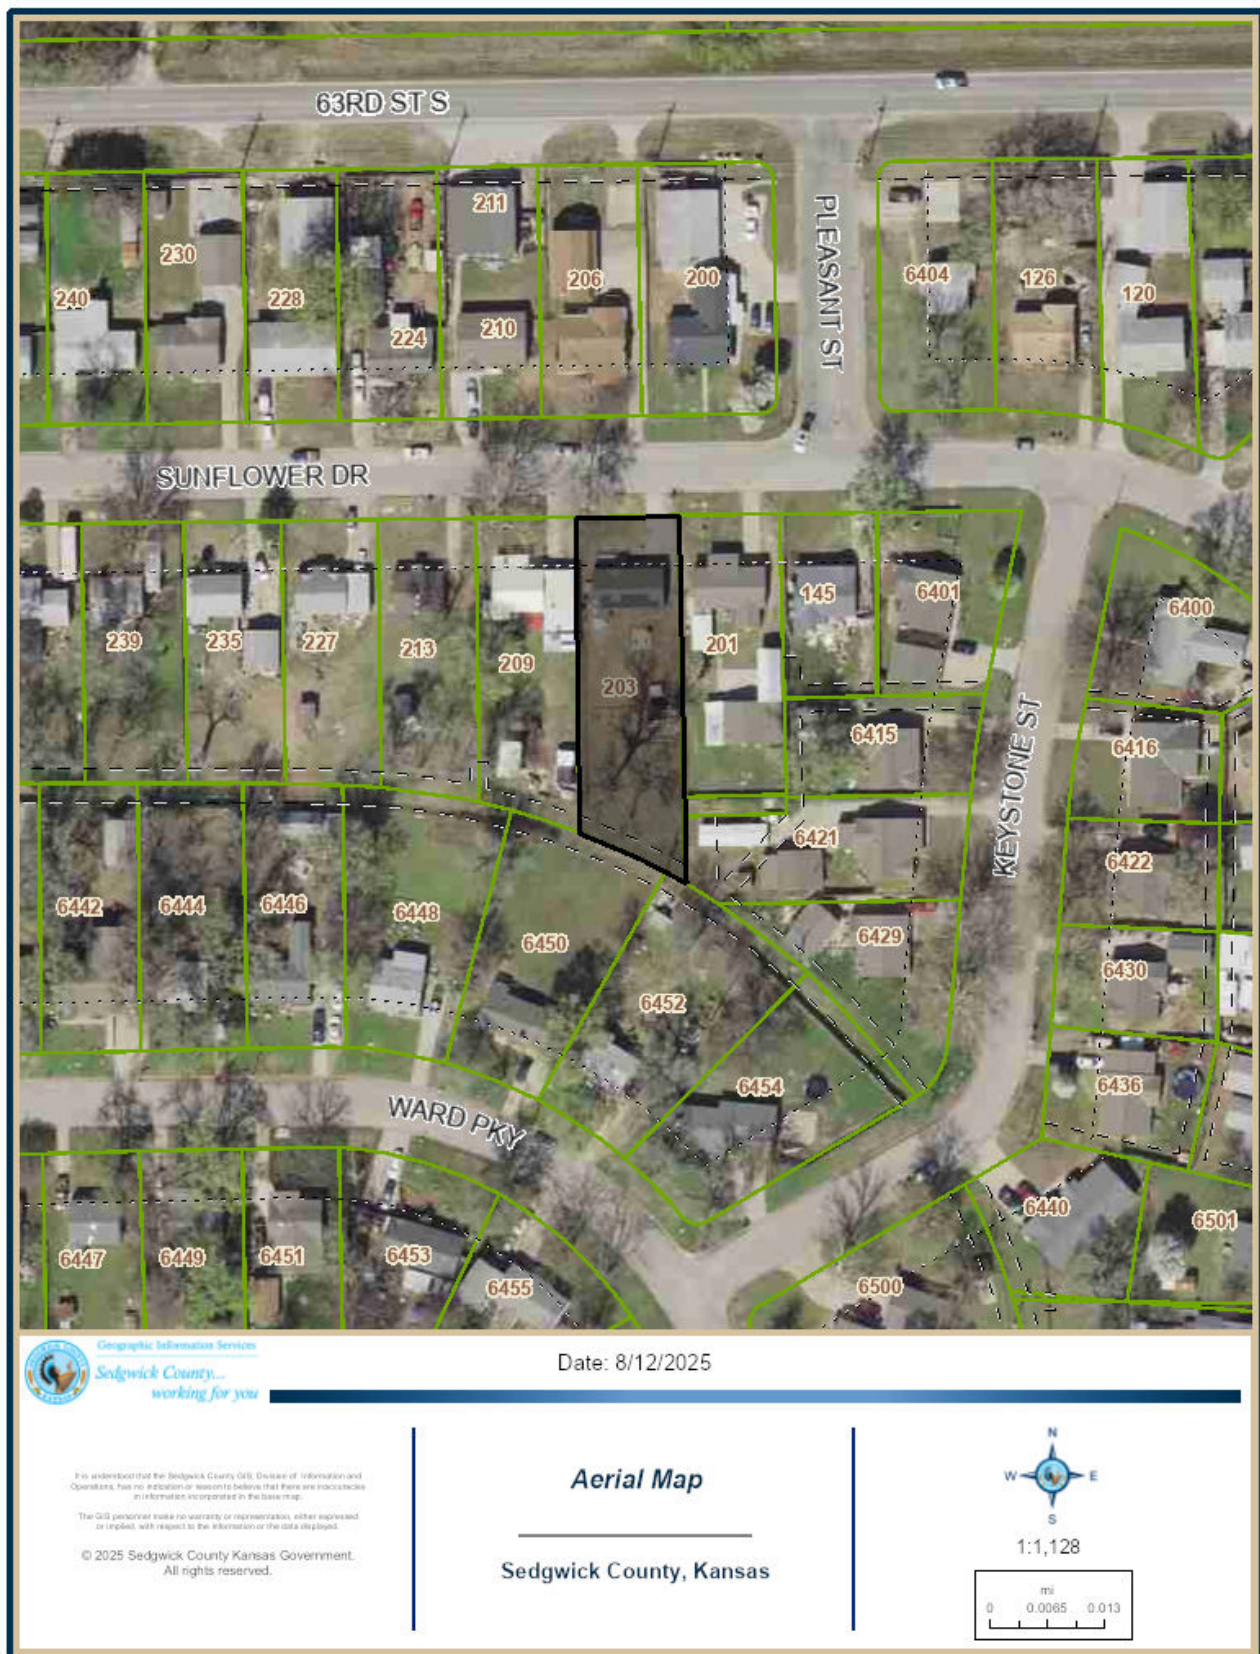

RECOMMENDATION

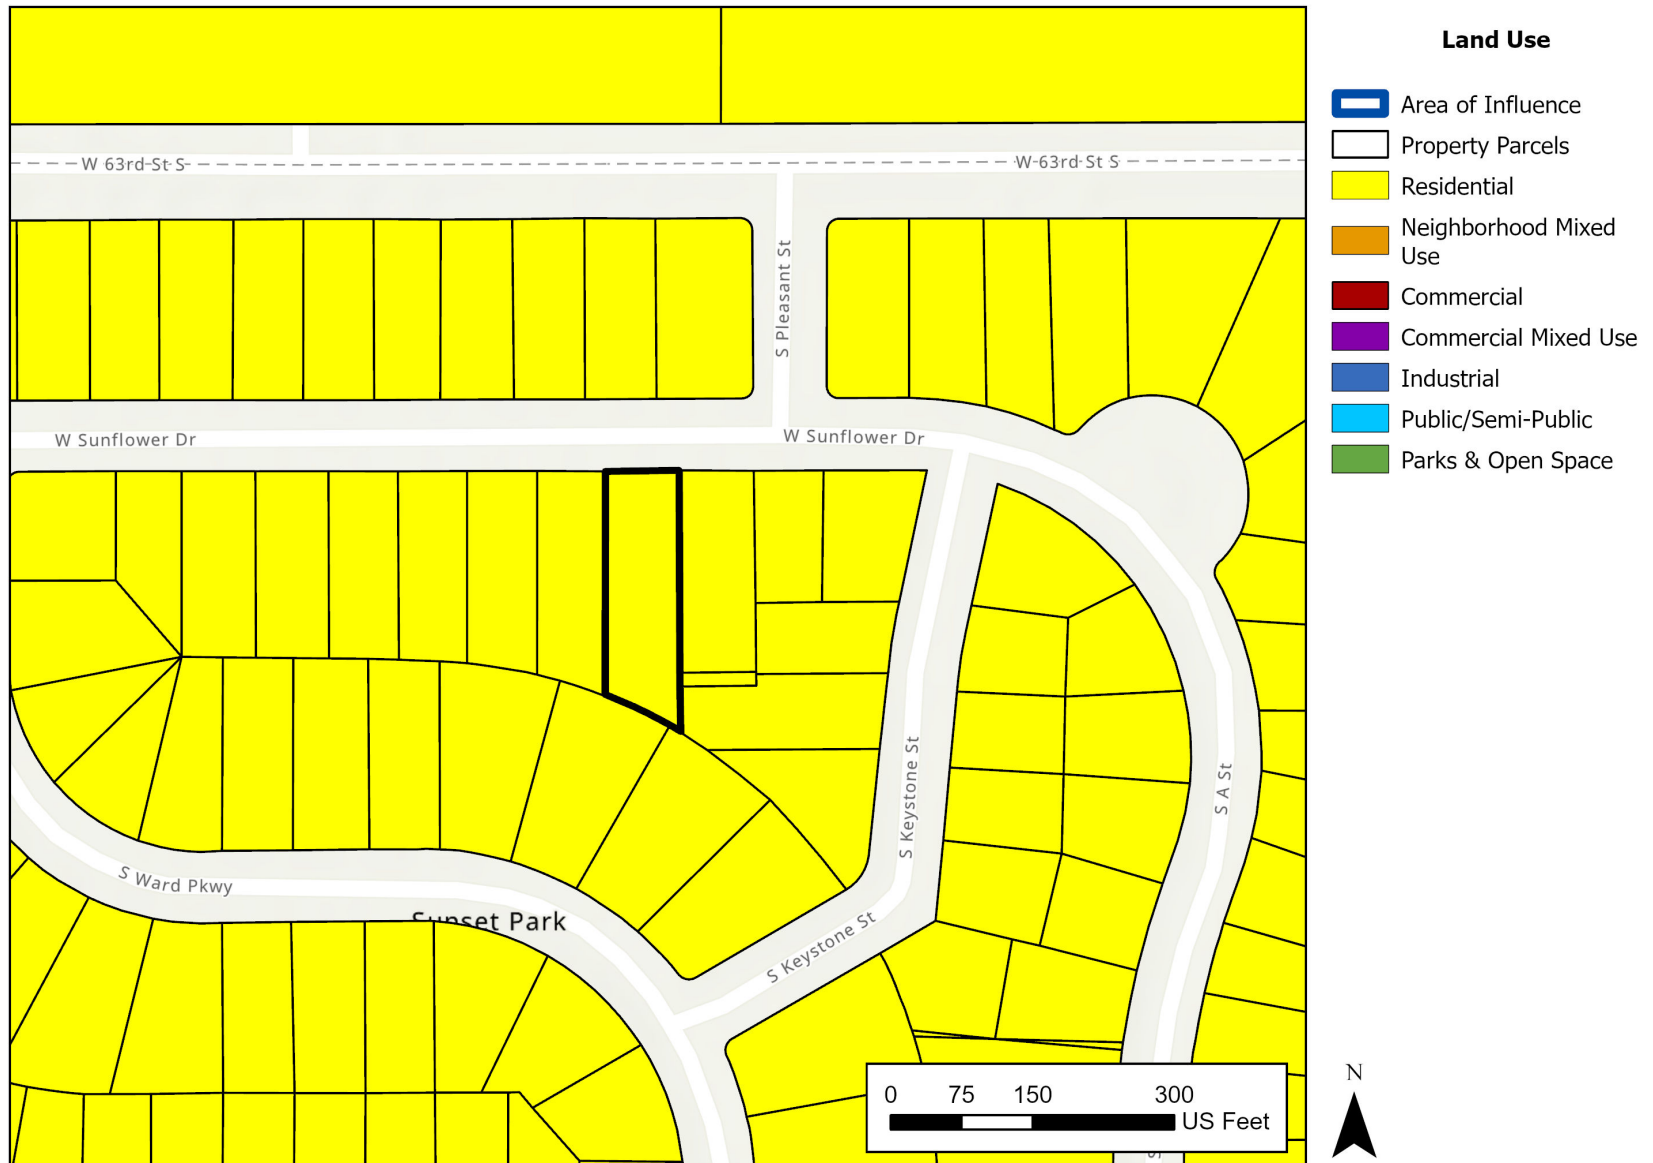

Based upon provided information, planning staff recommends that the conditional use request be **APPROVED**, with the following conditions:

1. Any access pathways to the Accessory Apartment located in side or rear yards must have a sight obscuring screening of not less than six (6) feet in height between the access pathway and any abutting residential property.

RE: Vacation request 203 w Sunflower Dr, Lot 39, Block 2, Ward's Fourth Addition to
Haysville Sedgwick Co Kansas

Dear Ms. Hogan,

Evergy has reviewed this vacation request, we have no objection to the vacation request. We require discussing clearance of all overhead existing poles lines and underground lines are met. Sammy Whelan, Area Design Representative, will be the contact for this vacation request and any project associated with it. She can be contacted at (316) 261-6334. **Standard language will apply; Any relocation or removal of existing Evergy equipment due to this vacation request will need to be discussed and will be at the applicant's expense.**

Thank you for sending for Evergy's review.

Sincerely,
Vickie Phothilath
Sr. Administrative Assistant.

CC: Samantha Whelan, Evergy

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN: At 6:00 p.m., Thursday, September 25, 2025, in the Council Chambers at City Hall, 200 West Grand Avenue, Haysville, Kansas, the Haysville Planning Commission will hold a public hearing to consider a conditional use request for an Accessory Dwelling Unit. The property under consideration is generally located at 203 West Sunflower Drive, and is legally described as follows:

Lot 39, Block 2, Ward's 4th Addition to Sedgwick County, Kansas.

Comments, both written and oral, will be heard by the Planning Commission at the time of the hearing. Comments can be submitted to: City of Haysville, Attn: Planning Department, 200 W Grand Ave, P.O. Box 404, Haysville, Kansas 67060 or by email to khogan@haysvilleks.gov. Written comments will be accepted up to 4:00 p.m. on the day of the meeting.

For additional information call 529-5900 or visit the City's website at www.haysvilleks.gov.

HAYSVILLE PLANNING COMMISSION/BOARD OF ZONING APPEALS

Minutes

September 25, 2025

The regular Planning Commission Meeting was called to order by Chairperson Tim Aziere at 6:00 p.m. in the Council Chambers at the Haysville Municipal Building, 200 W. Grand Ave., Haysville, KS 67060.

The members present were Mark Williams, Brandon Trube, Debbie Coleman, Tim Aziere, Dan Rinke, and Jeff Blood. Also present was Planning and Zoning Administrator, Kailyn Hogan, and Deputy Administrative Officer, Georgie Carter.

The first item of business was the Minutes of August 28, 2025.

Motion by Trube, Second by Blood.

To approve the minutes as presented.

Williams aye, Trube aye, Aziere aye, Blood aye.

Coleman abstain, Rinke abstain.

Motion carried.

There was no one to speak under Public Forum.

Under Old Business was a Zone Change request from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential for property generally located at 6401 South Sunnyside Road:

HOGAN: So this is our zone change that was presented our last meeting in August. At that meeting, you all made a motion that failed with a vote of two in favor and three opposed. According to state statute, when a motion fails, the default recommendation would be denial, and that can be forwarded to city council. But our city code actually has a 60 day waiting period before that default recommendation can be forwarded.

As such, this item is going to remain on our agenda as old business until either that 60 day period is over, or you make a new motion that passes. The public hearing has closed for this item, so the public is not invited to speak. I can go through the staff report again if requested and answer any questions you may have. Otherwise, your options are to table this item and wait out that 60 day period, or make a new motion. That motion can be a recommendation of approval or a recommendation of denial.

AZIERE: So even though it was recommended for denial before?

TRUBE: Well, it wasn't. The motion was recommending for approval but that failed to pass. So now if we make a motion for the denial and that passes, that clears it off the table.

AZIERE: Everyone was here except Coleman.

COLEMAN: So where does that put me in voting for this? I stayed on top of it, and I was contacted by a community member.

AZIERE: So you are aware of the case?

September 25, 2025

Haysville Planning Commission Meeting Minutes

Page 1

COLEMAN: I am aware.

AZIERE: And you heard the discussion?

COLEMAN: Well, I read the minutes.

AZIERE: Okay. We're happy to have as much discussion as you need to get caught up.

COLEMAN: I was raised in that neighborhood, so I am very familiar with every aspect of that neighborhood.

AZIERE: You don't have any other concerns or questions? You feel like you're informed enough to vote?

COLEMAN: Yes.

Motion by Trube, Second by Coleman.

To deny the zone change.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye.

Blood abstain.

Motion carried.

Under New Business was a Public Hearing for a Conditional Use request to allow an Accessory Dwelling Unit for property generally located at 203 West Sunflower Drive:

HOGAN presented the staff report. There were no questions for staff.

AZIERE: Does the applicant wish to speak? State your name and address for the record.

PAIGE ROUNDS, 203 W Sunflower Dr: Good evening. First of all, I like to thank you guys for taking time out of your evenings to hear me out. My name is Paige Rounds, and I live at 203 West Sunflower Drive. I'm here today requesting approval for an accessory dwelling unit for 400ft² in my backyard. The purpose of this project is to provide safe and affordable housing for my mother, who is recently disabled, allowing her to live close by while maintaining her independence. The design is modest in size, consistent with the residential character of the neighborhood, and will meet all required setbacks and building codes. We worked closely with Kailyn here, as well as Evergy, to ensure that the structure will have the necessary clearance from utility lines and will not create safety and infrastructure concerns. The ADU will connect to existing utilities that are already there and will not place undue burden on services. I believe that this project benefits both my family and the community by supporting multi-generational living while preserving the look and feel of our neighborhood, and I respectfully ask for your support and approval of this request. And thank you again for your time. If you have any questions, feel free to let me know.

AZIERE: I do have one. Do you have any concerns with the requirement for a six foot fence that staff is recommending?

ROUNDS: No. I've been in discussions with both my neighbors on both sides for years about replacing those fences. They're four foot fences. I use the term fence very loosely here.

AZIERE: Okay. Thank you. Any other questions for the applicant?

ROUNDS: Thank you.

AZIERE: Now is the time for any member of the public to speak. Is there anyone from the public that would like to speak? Public comment is now closed for planning commission action. The floor is open for commissioners' comments.

TRUBE: It seems pretty straight forward.

AZIERE: Any general discussion? Anything?

WILLIAMS: I thought I read, couldn't find it now on my phone, but something about the gas line that runs through the backyard was in conflict.

AZIERE: Yeah. I think if I remember correctly, with what I read, any of your existing services that are going to go under, above or around that structure will have to be relocated. That will have to be at your cost. You are aware of that?

ROUNDS: Yeah. For the gas line, I had my yard flagged a few years ago, it is far enough away. We're actually not going to run gas to it, anyway. It will be fully electric.

AZIERE: I know you said it doesn't run under there, but if it did run under the building, they'd want to relocate so they can access it if something happens. Either way you are aware of that.

ROUNDS: Right. The only issue is that the current drop line for the house runs right above it, but we have reached out to Evergy about moving it at our expense.

Motion by Trube, Second by Coleman.

To approve the conditional use request for an accessory apartment subject to the conditions outlined in the staff report.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried.

Under New Business was a Public Hearing for a Variance request to reduce the minimum area of a dwelling from 600 sq. ft. to 400 sq. ft. in the "SF" Single-Family Residential District for property generally located at 203 West Sunflower Drive:

Motion by Trube, Second by Rinke.

To recess the Planning Commission and convene the Board of Zoning Appeals.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried.

HOGAN presented the staff report.

AZIERE: So we have a minimum DU size?

HOGAN: We have a minimum dwelling unit size.

AZIERE: DU.

HOGAN: Yes.

AZIERE: We don't have a minimum accessory structure size requirement?

HOGAN: No.

AZIERE: So we are applying a full dwelling unit size regulation on an accessory dwelling structure? That's the rule that we are breaking, and if we are okay with that, then every other condition is met.

COLEMAN: However, a tiny home is less square footage than it with 599 square feet.

AZIERE: Forgive me, but we have requirements for tiny homes that are in our code currently?

HOGAN: Yes, in our tiny home district, the homes have to be less than 600 square feet. So the maximum dwelling unit size is 599.

TRUBE: And this qualifies as a tiny home?

HOGAN: If a zone change was done for this property to make it tiny home, the current dwelling unit would be a non-conforming structure. So we would not allow that zone change.

AZIERE: Any more questions for staff at this time? Does the applicant wish to speak?

ROUNDS: I don't really have anything else to add to my initial opening. But the reason we chose the 400 square foot, you know, size was because my yard is large, but it's narrow, and we didn't want it to take up too much space or get too close to the utility pole. And it also allowed us to have the carport on the side without, you know, taking up my entire yard. So that was kind of the purpose behind that.

AZIERE: And, sorry, I know it's in here somewhere because I saw it. Your structure, without the carport, is 20 by 20 as opposed to 20 by 30.

ROUNDS: Yes.

AZIERE: Any questions for the applicant? Now's the time for any member of the public to speak. Public comment is now closed for Board of zoning appeals action. The floor is open to commissioner's comments.

TRUBE: I'm inclined to recommend approval. You know, it's a ten foot difference in building size..

AZIERE: Yeah. And I think because of what it is, it's kind of going to look like a shed in someone's backyard. And everybody else in the neighborhood has a shed. I don't know why this would be any different. And the size being smaller, in my opinion, makes it easier to approve than harder. I know that it doesn't meet the requirement that we have, but that seems like an easy decision. So any more discussion? Is there a motion?

TRUBE: I'll go ahead and move that we approve the variance request to reduce the minimum dwelling size from 600 to 400ft².

HOGAN: It is my understanding that state statute is what requires us to meet all five conditions. We can confirm with Josh if we need to meet all five. But since it only meets 4 out of 5, we can't approve it.

AZIERE: But we can recommend approval to the council?

HOGAN: You guys are the only body that approves this.

AZIERE: So if we can't approve it, why is it in front of us?

HOGAN: If you find a way that it does meet this first condition, that it's unique to the property and not caused by the property owner, then you can approve it.

AZIERE: So explain to me again what it doesn't meet?

HOGAN: So we've got those five conditions. Those are what's in italics and underlined in the staff report. Those five are outlined in a state statute that says that all five of these must be met in order for a variance to be approved. And staff has determined that the first condition is not met. If you can find different evidence, or you can determine that that is met, then you can approve it. But if you can't determine that that condition is met, then you will have to recommend denial. But we can confirm with Josh if you have to have all five, so another option is to table it.

TRUBE: And the narrow shape of the property doesn't qualify for number one?

HOGAN: That is your guys's determination.

COLEMAN: I think that would qualify.

TRUBE: Yeah, I mean, the property owner didn't cause the shape of the property to be what it is. So I would think one would qualify by the narrowness of the lot.

Motion by Trube, Second by Williams.

To approve the variance request as presented with the conclusion that the narrowness of the lot satisfies the first condition.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried..

Motion by Trube, Second by Williams.

To adjourn the Board of Zoning Appeals and reconvene the Planning Commission.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried.

Under New Business was a Review of a Text Amendment to the Zoning Regulations: Changes to Article 6. Nonconforming Lots & Structures; Article 11. Floodplain Management:

HOGAN: If you guys could flip to Article 10. Nonconformities in your binders. There's a sheet for your notes again. And then we have a staff report this week. There's a summary of our changes in the staff report. And I'll go over every change for the most part. The redline version of this article has some comments with details for why we're making these changes. If you want to flip to that page as well.

Our first change is going to be changing the name of this article to just Nonconformities instead of Nonconforming Lots and Structures. That's because this article deals with more than just lots and structures. There's a section for other certain circumstances that deals with landscaping and fencing and such. Our other change is adding the word nonconforming into this article. It's implied, but never actually stated, besides the title. We'll also be removing 1000.C where it has that date of adoption. It's implied that anything created after the adoption of these regulations is regulated, we don't need that actual date in there.

In section 1001, we've removed the allowance to expand the non-conforming use. There's an article that staff reviewed in the changes of this nonconforming uses that went over the court cases dealing with nonconforming uses and structures. And according to those court cases, we're not required to allow nonconforming uses to expand. So we are going to remove that allowance. We've also removed the allowance for a nonconforming use to be changed into another nonconforming use. When a nonconforming use is going to expire, it should only be replaced with something that is conforming. That is backed up by court cases as well.

In section 1002, we've modified the requirement for modifications and alterations to nonconforming structures. That is still allowed. In 1004, we have modified what qualifies as the removal of other nonconformities. Our landscaping regulations and our off street parking regulations both require conformance in different ways than this article had stated. So we changed it so they now all match.

Section 1006. Discontinuance. Previously, we had different periods of inactivity for if a nonconforming use occurred indoors, or if a nonconforming use occurred outdoors. We changed the discontinuance to be the same for both of those, regardless of where the use is occurring.

Section 1008 has been removed from this article. Registration is not required by state statute and staff has never adopted procedures for the registration of nonconformities. We just have an in-house inventory of where they exist. But that is all the changes to the nonconforming section. Do you have any questions?

TRUBE: Does that require a motion?

HOGAN: No.

BLOOD: Can I ask a question?

HOGAN: Sure.

BLOOD: So back in 1006.C, in the first paragraph, it went from the Board of Zoning Appeals to the Zoning Administrator. So that's just staff?

HOGAN: The zoning administrator will deal with whether a nonconforming use is abandoned or not. That's not something that needs to be presented to the Board of Zoning Appeals by state statute. Any other questions?

Floodplain management is our next section. That's all the way at the end of your binders. We don't have any changes to this section. It's just formatting it to match what the new regulations will look like. And again, this is just a review, so we don't need a motion.

There was no Correspondence.

Under off agenda:

AZIERE: Off agenda?

HOGAN: Our next meeting is October 23rd.

Motion by Trube, Second by Williams.

To adjourn tonight's meeting.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

The meeting adjourned at 6:29 p.m.

CITY OF HAYSVILLE, KANSAS

PLANNING/ZONING DEPARTMENT- 200 W. GRAND AVE., P.O. BOX 404
HAYSVILLE, KANSAS 67060 - (316) 529-5900 (316) 529-5925 - FAX

MEMORANDUM

TO: The Honorable Russ Kessler, Mayor
Haysville City Council Members

FROM: Haysville Planning Commission
Kailyn Hogan, Planning and Zoning Administrator

SUBJECT: Zone Change from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential for property generally located south of East 63rd Street and approximately 500 feet west of South Broadway Avenue (6401 South Sunnyside Road)

DATE: October 14, 2025

The applicant is requesting a zone change from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential for property located at 6401 South Sunnyside Street. Attached is the staff report presented to the Planning Commission, the minutes from August 28, 2025 and September 25, 2025, and the protest petition.

The Planning Commission initially reviewed this zone change request at the August 28, 2025 meeting. During that meeting, several residents from the surrounding neighborhood spoke in opposition to the proposed change, expressing the following concerns:

- (1) The property has been vacant and used as a neighborhood park, and residents wish to preserve it as such.
- (2) South Sunnyside Road is a one-way street. Residents noted that unfamiliar drivers, such as delivery drivers, frequently travel the wrong direction, and they were concerned that additional housing units could increase traffic congestion.
- (3) There was concern that the lot is not big enough for a duplex or quadraplex.
- (4) An existing rental property in the neighborhood has caused issues in the past.
- (5) Residents had concern that the existing sewer system may be near capacity and additional units might overload it. Staff confirmed with Public Works that this is not a valid concern.

After discussion, the Planning Commission made a motion to recommend approval of the zone change to “TF” Two-Family Residential, instead of “MF4” Multi-Family Four Residential, with the protective overlay as listed in the staff report and the dedication of complete access control along 63rd Street. The motion failed with a vote of two in favor and three opposed.

When the commission fails to make a recommendation on a zone change, the default recommendation shall be denial, and such default recommendation can be forwarded to City Council (K.S.A. 12-757). Our City Code states that default recommendations cannot be forwarded until sixty days have passed since the close of the public hearing.

Because no other motion was made, the item remained on the Planning Commission agenda as old business and was reviewed a second time at the September 25, 2025 meeting. The Planning Commission was given the option to (1) table the item and wait out the sixty days to forward the default recommendation or (2) make and pass a new motion recommending approval or denial. The Planning Commission made a motion for denial but failed to state rationale for denial.

Because no reason was stated for denial, staff is recommending you return the recommendation to the Planning Commission for further discussion.

On September 11, 2025, a valid protest petition was submitted for this zone change. As a result, any action made by the Governing Body must be supported by a 3/4th majority vote

Planning Commission meetings are managed by one staff member. To help prevent recommendations without stated rationale coming to council again, we have implemented the following procedural changes:

- Updated the public hearing script to include that any motion for denial must include a reason based on one of the Golden Rules.
- Added a step for announcing the result of the vote, clearly stating whether the motion was adopted or lost, and indicating the effect of the vote.
- Added the conflict-of-interest from the bylaws to the public hearing scripts.
- Replaced the “all in favor say ‘aye’” method with a roll call vote during meetings.

The governing body may take one of the following three actions when the Planning Commission submits a recommendation for approval or disapproval of a zone change request and a valid protest petition is submitted:

- Approve the Planning Commission’s recommendation via ordinance by a 3/4th majority of the entire membership of the governing body (7 votes).
- Deny the Planning Commission’s recommendation by a 3/4th majority vote of the entire membership of the governing body (7 votes).
- Return the recommendation to the Planning Commission with a statement specifying the basis for the governing body’s failure to approve or disapprove by a 3/4th majority vote of the entire membership of the governing body (7 votes).

Haysville Planning Commission Staff Report

ZON 2025-004

CASE SUMMARY

Property Location: Generally located south of East 63rd Street and approximately 500 feet west of South Broadway Avenue (6401 South Sunnyside Road)

Applicant: Daniel Schmeidler (property owner) | K.E. Miller Engineering (agent)

Request: Zone Change from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential

Prepared By: Kailyn Hogan, Planning and Zoning Administrator

Meeting Date: August 28, 2025

Public Hearing: Required, to be held by the Planning Commission

ANTICIPATED MEETING SCHEDULE

Body	Meeting Date	Action
Planning Commission	August 28, 2025	Hold required public hearing. Make a recommendation for approval, approval with modifications, or denial of the request. Recommendation is forwarded to City Council.
City Council	October 14, 2025	Adopt the recommendation of the Planning Commission as presented, override the recommendation, or return the recommendation to the Planning Commission.

SITE DATA

Legal Description	LOT 1, BLOCK 1, WARD’S 4 TH ADDITION to Sedgwick County, Kansas
Existing Zoning	“SF” Single-Family Residential
Lot Area	14,784 square feet / 0.339 acres
Future Land Use	Residential
Built Form	Undeveloped

BACKGROUND

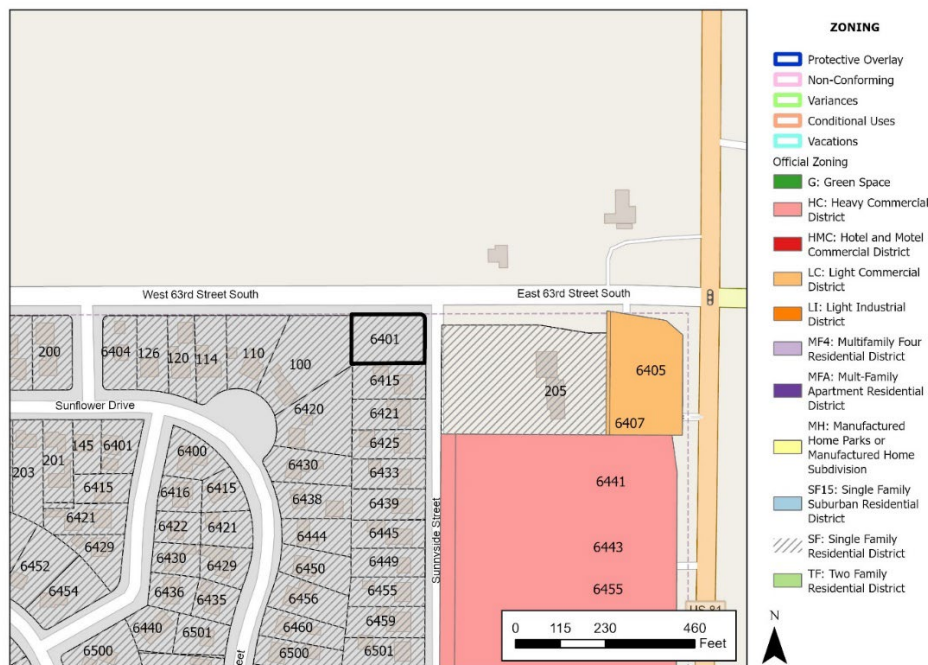

SITE DESCRIPTION AND PRESENT USE. The applicant is requesting a zone change from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential for property generally located at 6401 South Sunnyside Road. The property is 0.339 acres and is located at the intersection of 63rd Street South and South Sunnyside Road. The property has access to South Sunnyside Road, a paved one-way local street. The property is currently undeveloped. It has access to city water and sewer.

The property was platted in 1951 as Lot 1, Block 1, Ward’s 4th Addition to Sedgwick County and later annexed into the City of Haysville. At the time of annexation, the property was designated as park land on the Land Use Map. The current land use designation is residential. The property was sold to the current property owner by the City of Haysville in June 2023.

SURROUNDING PROPERTIES AND NEIGHBORHOOD. The predominant land use of the neighborhood is single-family residential. Properties to the north are zoned RR Rural Residential and are used primarily for agricultural purposes and contain two single-family dwelling units. Property to the east is zoned “SF” Single-Family Residential and contains a large-lot single-family dwelling. Properties to the south and west are zoned “SF” Single-Family Residential and contain single-family dwellings. Properties to the southeast are zoned “HC” Heavy Commercial and contain an auction house, truck and trailer rental, and shed sales. Such heavy commercial activities are buffered from the single-family dwellings by a tree-covered section of the property.

ADJACENT ZONING AND LAND USE.

NORTH:	RR Rural Residential	Agriculture and single-family dwelling
SOUTH:	“SF” Single-Family Residential and “HC” Heavy Commercial	Single-family dwellings, auction house, truck and trailer rental, and shed sales
EAST:	“SF” Single-Family Residential	Single-family dwellings
WEST:	“SF” Single-Family Residential	Single-family dwellings

PROJECT DESCRIPTION. The property owner may address any questions related to the development of the site, but such proposed development is not a criteria in the consideration of this zone change. This review is only on evaluating the suitability of the property for the “MF4” Multi-Family Four Residential district. Future development could include any use permitted under the “MF4” district regulations.

PUBLIC COMMENTS. The public hearing notice was published on August 7, 2025. At the time of publication of this staff report, staff had not received any comment on the zone change request. Comments received after the publication of this staff report will be distributed at the meeting.

ANALYSIS

The current zoning, “SF” Single-Family Residential, allows for low-density, single-family residential development while the requested zoning, “MF4” Multi-Family Four Residential, allows for medium-density, multi-family development. Both districts allow a limited number of public and civic uses aimed to serve the needs of those living in nearby neighborhoods. The table below compares the development standards from the City of Haysville Zoning Regulations for both zoning districts.

Development Standards	“SF” Single-Family	“MF4” Multi-Family Four
Minimum lot area	6,000 square feet	6,000 square feet
Minimum lot width	50 feet	50 feet
Minimum lot depth	90 feet	90 feet
Front setback	25 feet, corner lots must have at least a minimum front yard setback on the primary street frontage and at least 15 feet minimum on the other	25 feet, corner lots must have at least a minimum front yard setback on the primary street frontage and at least 15 feet minimum on the other
Rear setback	20 feet	20 feet
Side setback	6 feet	6 feet
Maximum height	45 feet	35 feet
Minimum Area of Dwelling	600 square feet	600 square feet

The subject property meets the minimum lot area, lot width, and lot depth requirements with a 14,784 square foot lot area, 99.5 foot lot width and 150 foot lot depth, respectively.

FINDINGS. The following criteria shall be evaluated as they relate to the specific case being considered, and such stipulation as deemed appropriate in relation to any request for a zone change may be developed by the commission and incorporated into any recommendation in support of the requested zone change.

1. *Zoning uses and character of the neighborhood.*

The predominant land use of the neighborhood is single-family residential.

Properties to the north are zoned RR Rural Residential and are used primarily for agricultural purposes and contain two single-family dwelling units. Property to the east is zoned “SF” Single-Family Residential and contains a large-lot single-family dwelling. Properties to the south and west are zoned “SF” Single-Family Residential and contain single-family dwellings. Properties to the southeast are zoned “HC” Heavy Commercial and contain an auction house, truck and trailer rental, and shed sales. Such heavy

commercial activities are buffered from the single-family dwellings by a tree-covered section of the property.

All properties are in fine to good condition.

2. Suitability of the subject property for the uses to which it has been restricted.

The subject property is currently zoned “SF” Single-Family Residential and is suitable for low density, single-family residential development and a limited number of public and civic uses aimed to serve the needs of those living in nearby neighborhoods. Such uses are appropriate given the context of the surrounding zoning being primarily “SF” Single-Family Residential.

3. Extent to which removal of the restrictions will detrimentally affect nearby property.

The following uses are permitted, conditionally or by right, in the “MF4” Multi-Family Four Residential District that are not allowed in the “SF” Single-Family Residential District. Uses permitted conditionally are designated by a (C) behind the use.

- Two-Family
- Three- and Four-Family
- Multi-Family (C)
- Day Care, General (C)
- Hospital
- Nursing Facility (C)

Removing the restrictions of the “SF” Single-Family Residential zoning district may detrimentally affect nearby property if special considerations are not taken to ensure development occurs at “house-scale.”

If special considerations are taken, Two-Family and Three- and Four-Family developments can seamlessly blend into the fabric of an existing neighborhood and avoid detrimentally affecting nearby property. “House-scale” typically means smaller building footprints, lower perceived density, activated building fronts with street orientation and front porches, and hidden parking. Below are some examples of this type of development from Missing Middle Housing, a movement dedicated to building multi-unit development that blends with single-family development.

Duplex	Triplex	Fourplex
		
Gross Building SF3,264	Gross Building SF3,264	Gross Building SF3,338
Number of Units2	Number of Units3	Number of Units4
Price\$4,000 per unit	Price\$4,000 per unit	Price\$4,000 per unit

Additionally, the City has previously established provisions to protect single-family and two-family development from potential adverse effects on aesthetics from multi-family development.

Section 501-E. of the Landscaping Regulations requires all multi-family development above two-family to provide a landscaped buffer of 15 feet between all abutting single-family or two-family development.

A minimum of 1 shade tree, or their equivalent must be placed in the buffer for every 50 feet of common property line. At least 1/3 of all required plantings in the buffer must be evergreen.

This regulation also requires all parking to be screened from the abutting single-family or two-family development. Such screening shall be to a minimum of 3 feet above the parking surface. Walls and fences may be used in combination with plantings, but may not be the sole means of screening.

Staff does not recommend any use outside of residential be allowed on this property. The only access to the property is via South Sunnyside Road, a paved, one-way local street. The width of the street does not meet the City's minimum standards for local streets and has no available on-street parking. Thus, establishments that would generate traffic would detrimentally affect nearby properties and potentially cause issues with public safety. Non-residential uses could be considered if South Sunnyside Road was a two-way road or if other modes of transportation were accommodated for in the neighborhood.

4. *Length of time subject property has remained vacant as zoned.*

The subject property is undeveloped. It was platted in 1951.

5. *Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant.*

Staff foresees negative affects to the public safety as a result of the approval of this zone change. The subject property only has access to South Sunnyside Road, which is a paved one-way local street. The applicant requested access to 63rd Street but was denied by Sedgwick County Public Works. Depending on the location of the driveway, those exiting the property may be encouraged to drive the wrong way on South Sunnyside Road to exit onto 63rd Street. Staff did not witness any current residents driving the wrong way on South Sunnyside Road.

Approval of the zone change request would allow the applicant to use the property to the full extent of their intended use. Denial of the zone change would not limit the property owner's ability to use the subject property for a different approved use in the "SF" Single-Family Residential district, nor limit the property owner's ability to apply for a different zoning designation.

6. *Conformance of the requested change to the adopted or recognized comprehensive plan.*

The requested zone change is in conformance with the City of Haysville's Comprehensive Plan. The requested zone change supports Population Objective 3 "to increase housing diversification within the community," and the Housing Goal to "provide a variety of housing choices to current and future populations."

The City of Haysville's Comprehensive Plan includes the 2023 Land Use Plan Map. The Map identifies the area in which the subject site is located to be appropriate for Residential uses. The requested zoning district is "MF4" Multi-Family Four Residential, making the change in conformance with the City's Land Use Plan Map.

7. *Impact of the proposed development on the community facilities.*

Staff does not anticipate the proposed development to have any significant negative impact on community facilities.

8. *Opposition or support of neighborhood residents.*

At the time of publication of this staff report, staff had not received any comment on the zone change request.

RECOMMENDATION

Based upon information available prior to the public hearings, planning staff recommends that the request for a zone change from “SF” Single-Family Residential District to “MF4” Multi-Family Four Residential District be **APPROVED** with the addition of a protective overlay. This recommendation is based on the above listed findings.

The protective overlay shall read as follows:

- **PERMITTED USES:** The following uses shall be permitted by right:
 - Single-Family
 - Two-Family
 - Three- and Four-Family
 - Group Home
 - Home occupations that typically do not generate additional vehicular traffic. Examples of such uses and occupations include offices for sales persons, sales representatives, manufacturer’s representatives, etc. when no retailing or wholesaling is made or transacted on the premises; offices for architects, engineers, lawyers, doctors, dentists and members of similar professions; offices for service type businesses such as insurance agents, brokers, decorators, painters, business consultants, tax advisors, and photographers; home crafts, such as model making, rug weaving, etc.; and ministers, rabbis, and priests for counseling purposes only.
 - Short-Term Residential Rental
- **SITE DEVELOPMENT STANDARDS:** In keeping with the spirit and intent of the Zoning Regulations and the character of the existing neighborhood, the following site development standards shall be applied to the property:
 - The principal structure shall be oriented to face South Sunnyside Road;
 - The maximum height of all structures shall be 25 feet or two stories, whichever is lesser;
 - A covered porch shall be erected at the front entrance(s) of the principal structure. Such porch shall be built at the building setback line or encroaching upon the building setback line; and
 - The exterior of all structures shall be either brick or vinyl siding.
- **PARKING:** All required off-street parking spaces shall be located in the rear of the property behind the principal structure, other than those located on hard surface drives.
- **ACCESS:** Complete access control shall be dedicated for the north 30 feet of street frontage along South Sunnyside Road.

It should be known that the Planning Commission has the authority to recommend a zone change to a lesser zoning district (“TF” Two-Family Residential) than what has been proposed without republication of a notice. The Planning Commission is granted this authority by K.S.A. 12-757. The City’s zoning district classification chart can be found at www.haysvilleks.gov/planning-zoning.

Staff has prepared an alternative recommendation with that authority in mind. If the Planning Commission chooses to recommend approval of a zone change from “SF” Single-Family Residential to “TF” Two-Family

Residential, staff recommends **APPROVAL** with the addition of a protective overlay. This recommendation is based on the above finds.

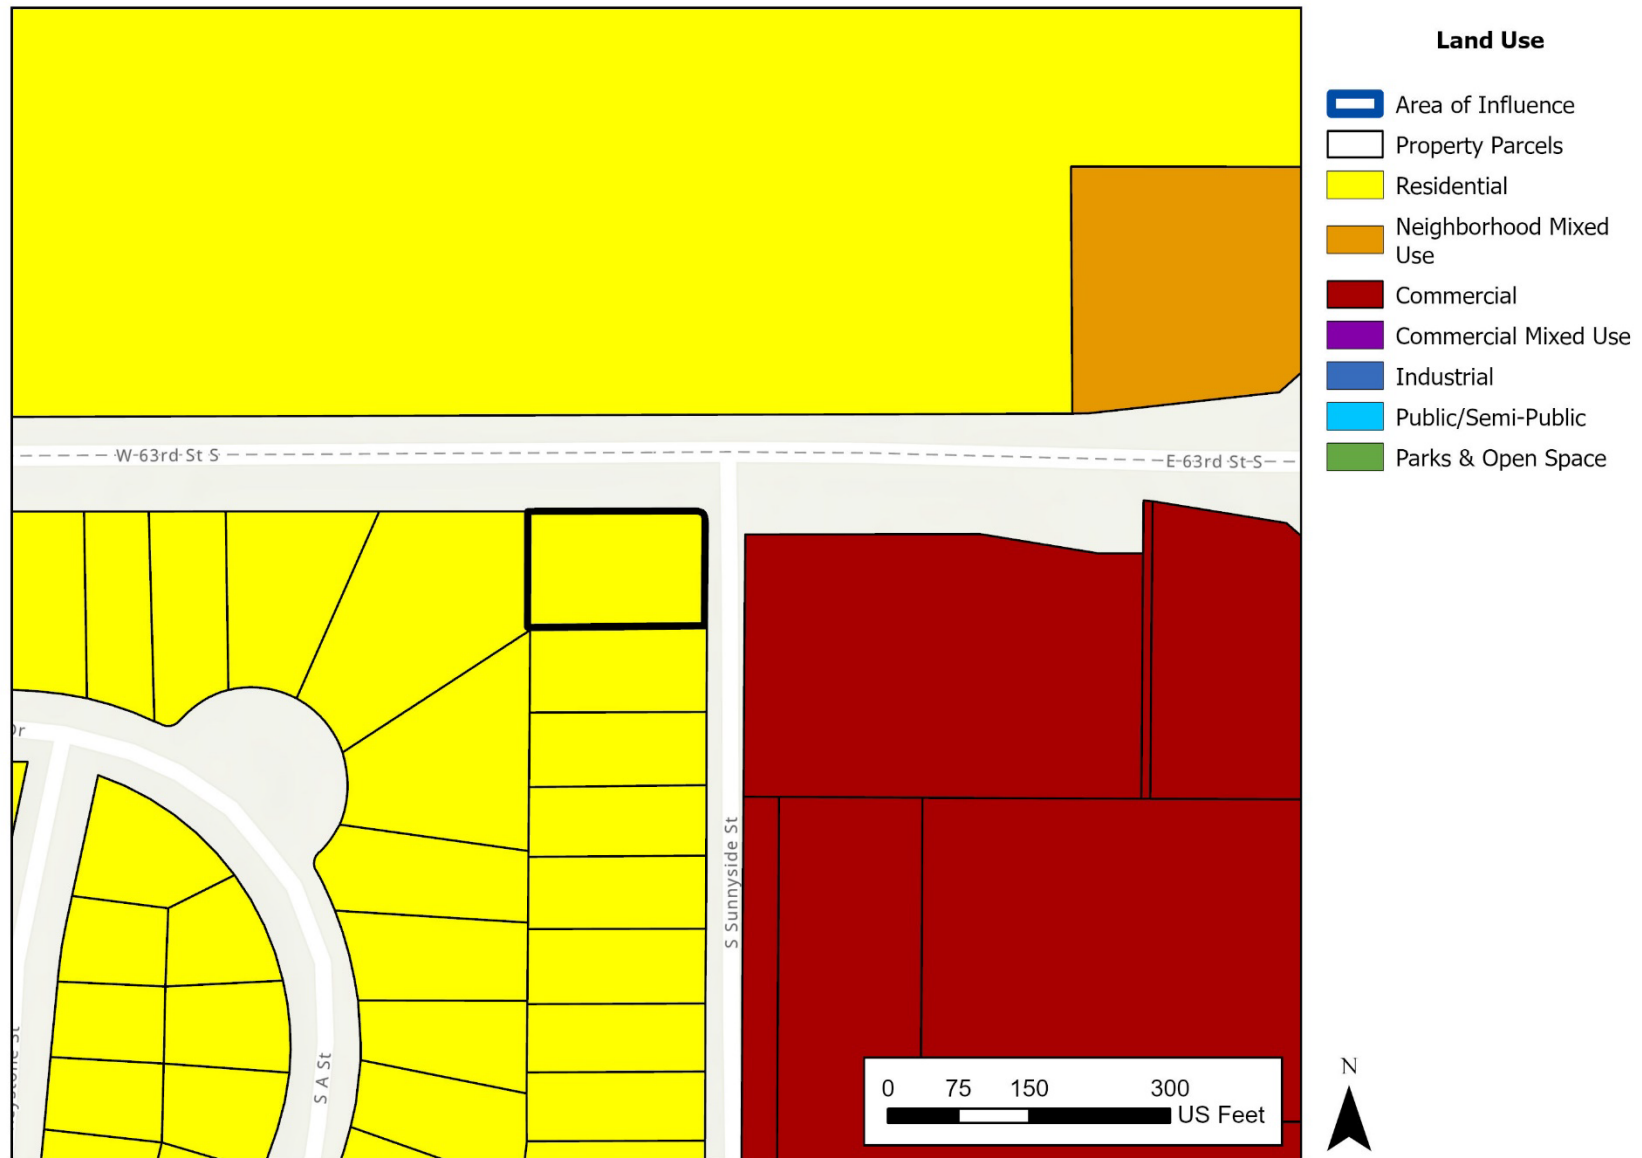

The protective overlay shall read as follows:

- **PERMITTED USES:** The following uses shall be permitted by right:
 - Single-Family
 - Two-Family
 - Group Home
 - Home occupations that typically do not generate additional vehicular traffic. Examples of such uses and occupations include offices for sales persons, sales representatives, manufacturer's representatives, etc. when no retailing or wholesaling is made or transacted on the premises; offices for architects, engineers, lawyers, doctors, dentists and members of similar professions; offices for service type businesses such as insurance agents, brokers, decorators, painters, business consultants, tax advisors, and photographers; home crafts, such as model making, rug weaving, etc.; and ministers, rabbis, and priests for counseling purposes only.
 - Short-Term Residential Rental
- **SITE DEVELOPMENT STANDARDS:** In keeping with the spirit and intent of the Zoning Regulations and the character of the existing neighborhood, the following site development standards shall be applied to the property:
 - The principal structure shall be oriented to face South Sunnyside Road;
 - The maximum height of all structures shall be 25 feet or two stories, whichever is lesser;
 - A covered porch shall be erected at the front entrance(s) of the principal structure. Such porch shall be built at the building setback line or encroaching upon the building setback line; and
 - The exterior of all structures shall be either brick or vinyl siding.
- **PARKING:** All required off-street parking spaces shall be located in the rear of the property behind the principal structure, other than those located on hard surface drives.
- **ACCESS:** Complete access control shall be dedicated for the north 30 feet of street frontage along South Sunnyside Road.

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN: At 6:00 p.m. on Thursday, August 28, 2025, in the Council Chambers at City Hall, 200 W Grand, Haysville, Kansas, the Haysville Planning Commission will hold a public hearing to consider a request for a zone change from "SF" Single-Family Residential to "MF4" Multi-Family Four Residential. The property under consideration is generally located at 6401 South Sunnyside Road, Haysville, KS 67217, and is legally described as follows:

LOT 1, BLOCK 1, WARD'S 4TH ADDITION to Haysville, Sedgwick County, Kansas.

Comments, both written and oral, will be heard by the Planning Commission at the time of the hearing. Comments can be submitted to: City of Haysville, Attn: Planning Department, 200 W Grand Ave, P.O. Box 404, Haysville, Kansas 67060 or by email to khogan@haysvilleks.gov. Written comments will be accepted up to 4:00 p.m. on the day of the meeting.

For additional information call (316) 529-5900 or visit the City's website at www.haysvilleks.gov.

Good Morning Ms. Hogan,

Even though we do intend upon attending the meeting this evening at 6pm in relation to the zoning change request on the property at 6401 S Sunnyside, I wanted to get this email sent just in case anything happens to prevent us from attending.

I am the next door neighbor to that property at 6415, I have been in this residence since 2007, most on this block are long time property owners and have seen some people come and go throughout the years.

I am very aware of what this zoning change would open the door to and I am firmly opposed to it.

We just recently had nuisance neighbors move out of the rental property to the south and then given this requested zoning change, that opens that property to the north up to potentially getting multiple residence on one parcel of land that will most likely also become rentals.

One nuisance family is bad enough but the potential to have four possible nuisance families or people moving in on the north after duplexes are built will cause problems in our neighborhood.

Also, after looking in to the history of the property owner and him being a contractor who has a history of building structures like this, I would really like to see this request denied to change the zoning. We would maybe handle one single family residence but to deal with that many new people on an already well traveled, sometimes congested south bound street would cause issues really quickly.

I have also attached history of the property owner and recent pictures of the upkeep of the lot after being mowed for only the fourth time this year. In the two years that he has owned it, his mowing crew only comes to mow once every six weeks to two months, grass normally is almost as tall as me and also given that entire lot is known to be a sticker patch, their inadequate, haphazard mowing as caused stickers to also begin encroaching on our lot.

Given what we have observed, trends and the history is ultimately all deciding factors of why we are very much against the proposal of zoning change.

Thank you for your time and allowing the opportunity for input.

HAYSVILLE PLANNING COMMISSION/BOARD OF ZONING APPEALS

Minutes

August 28, 2025

The regular Planning Commission Meeting was called to order by Chairperson Tim Aziere at 6:03 p.m. in the Council Chambers at the Haysville Municipal Building, 200 W. Grand Ave., Haysville, KS 67060.

The members present were Mark Williams, Brandon Trube, Tim Aziere, Jimmy Wallis, and Jeff Blood. Also present was Planning and Zoning Administrator, Kailyn Hogan, and Deputy Administrative Officer, Georgie Carter.

The first item of business was the Minutes of July 10, 2025.

Motion by Trube, Second by Williams.

To approve the minutes as presented.

Williams aye, Trube aye, Aziere aye, Blood aye.

Wallis abstain.

Motion carried.

There was no one to speak under Public Forum.

Under new business was a Public Hearing for a Zone Change request from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential for property generally located at 6401 South Sunnyside Road:

HOGAN presented the staff report. There were no questions for staff.

AZIERE: Would the applicant or their agents wish to speak?

WHITE: Josh White with K.E. Miller Engineer. I am the agent for the applicant. We agree with all the staff comments, including the alternative recommendation. We initially submitted this application for MF4 with the idea of a site plan that would require MF4 zoning. Since then, the owner has opened it up to developments that would only require two family zoning. So we agree with all the recommendations and the protective overlays. I can answer any other questions that you guys might have.

AZIERE: Thank you. Now it's time for any member of the public to speak. You have five minutes. If you're presenting good factual information, this time may be extended. I have quite a few here signed up to speak. If you're going to say the same thing as the two people in front of you and the two people behind you, I would ask that you elect a spokesperson. I assure you we are listening. It would make all of our time a little bit quicker if you're all going to say the same thing. So if you would like to do that, let us know which of you would like to speak. Otherwise, I'll start rolling through each one of these in the order that I have them sitting here. All right, Joe Burns.

CARTER: Please start by stating your name and address for us for the record.

BURNS: Joe Burns, 6439 South Sunnyside. I'm not sure what your policy is on this, but I live four or five houses down from where this zone change is taking place. Not one word was said to me. We live on a one way street, barely wide enough for one car, and they want to add four more buildings or four more

apartments to this. I don't even think the road can handle what's there. But they want to add four more buildings to this corner. I don't know if these are one, two, three, 4 or 5 bedroom apartments. I don't know if they are section 8. I don't know what we're getting. I just thought maybe there would be something here that says we're going to plan an exit on 63rd. From what I hear, that's not going to happen. You're going to dump all the traffic onto a one lane road that is probably about 12, maybe 15ft wide at best. And I mean, that's just a guess. But I'm just curious, have any of you ever been over to that area? I know you drive past it, but have you ever been down the street, been through the neighborhood? I know law enforcement don't get down there much, so I don't know if you do either. But problem is, we're dealing with a lot of traffic in a small area. Luckily, we don't have a lot of kids in down there anymore because too many people come the wrong direction. UPS, FedEx, Amazon. None of them know what a one way sign is because we get them coming the wrong way all the time. So, I'm opposed to the idea of putting a multi-complex on the corner to congest traffic on a road that I don't think it's able to handle it. And so that's all I got to say at this time.

AZIERE: Okay. Thank you. For clarification, what was the notification radius?

HOGAN: 200ft to the west and the east, because that's city limits. And 1000ft to the north because that's out of the city limits.

AZIERE: And south?

HOGAN: South was 200ft.

AZIERE: Okay.

CARTER: Just so everyone knows, that's set by state statute. That notification range is set by state statute. That's what we follow.

AZIERE: Glenda West?

WEST: I'm just against it because I have the biggest lot close to it. It's gonna be right in my backyard. I just, I don't want all the kids coming over and climbing on my trees. They won't have any place to play or anything if they put an apartment there. And I just don't want it to be changed.

HOGAN: For the record, please state your name and your address.

WEST: Glenda West, 100 West Sunflower Drive.

AZIERE: Pauline Ozbun.

PAULINE: I live at 6400 Keystone. My name is Pauline Ozbun. I have sit in many of these seats from time to time. Four apartments on that property is too much. That means at least four cars and maybe eight. And you have Sunnyside Road, that is a half street. And it's difficult now. It's not good. Plus the fact that we have had an apartment, well, a rental situation where the owner is away. It has given us nothing but fits, including shootings. So we're not interested in having that in our community. It's been a single family community for this long and it needs to stay that way.

AZIERE: Thank you. Tommy Wicker.

WICKER: Tommy Wicker, I live at 6415 South Sunnyside, immediately south of that property. To start with, that place has been a park ever since I can remember. I realize it was recently sold. That came up in conversation after we rebuilt our driveway next door there. And I asked the city at that time if they'd consider selling me that property because I've watched over it and maintained it for more than a decade. Short of mowing, because Haysville took care of that. It was listed as a park for a very long time. Neighbor kids play there. We use it for overflow parking sometimes. As you've heard, we can't park on the street out there. Sometimes we have our 4th of July celebrations and shoot off our fireworks and stuff in that open lot. It's really nice for the neighborhood. I wake up in the morning and have my coffee and look out the window and see the trees and the beautiful open lot. It's real peaceful there right now. I realize it's probably not going to be soon and that's a **** shame. I wish you guys had considered selling it to me or keeping it a **** park. Excuse my language, but it's a pretty emotional subject for me right now. I don't know how to convince you to fix this. You guys are clearly interested in money. It sucks for all of us. And it's going to create, you know, as the folks have said, it's a lot more traffic. It's going to be people looking in my driveway, looking in my windows, being next to my house 24/7 when I haven't had nobody there for my entire existence at that property. I just don't know how to explain to you guys how you've steered wrong in this moment here. I wish you'd reconsider. Please don't do that to us. Thanks.

AZIERE: Kelly Poe.

POE: My name's Kelly Poe. I live at 6420 South A Street. My landlord is sitting here with me. He brought it to my attention that this was happening. I didn't know anything about it until today. I apologize, and most of these people are my friends and neighbors. Bottom line is, I am considering purchasing the property I live in right now, and that would probably deter me from really sinking some money into that. I just don't feel it's right for that community. That community is pretty tight. Some of my neighbors that I visit with quite often are here. But, bottom line is I do like that place, and I would hate that this would be considered because it could be detrimental to my landlord. And he's a pretty good guy. I just want you all to consider that. Like I said, I am new to this. I just found out today. I said I want to go because he's offered the property and this could change my mind towards that. So anyway, that's all I have to say.

AZIERE: Thank you, Kelly. Tim Ford.

FORD: As Kelly just said, I'm Tim Ford. I own the property over there and have for a long time. I've never been to one of these. I don't know how it works. I just know that based on what little bit of information that I was given, which I have to agree with them over here, is very vague. You all say that you've been there. So I have to ask you, if you've truly been there, do you really think that you could put a building there and six to eight cars? I'd have to ask you to really think about that, because I could build anything anywhere. But is it really, truly accessible? That is a one way street. And based on what you had said before, that property is going to face Sunny Side. Its entrance is going to be on Sunny Side and the parking is going to be in the rear, which would be at Glenda's back door. But I don't see that kind of access there. I've got a little building experience, a little construction knowledge. I may be facetious when I say that. If somebody wants to take me over there and show me, I'd like to see that. I don't know at this point--I'm at neutral--I don't know at this point where I stand on it, but I think you should probably take a look at that and maybe listen to the neighborhood. I built a duplex one time, and I think it was on a lot larger than that. So I just don't see it happening. So I'd like for you to listen to the neighborhood, make your decision based on that. Thank you.

AZIERE: Thank you, Tim. Joe Amos.

AMOS: Joe Amos, 205 East 63rd Street. I'm basically right across the street from that property. To the east. Okay. The biggest question I've got is on the infrastructure and the road and the sewer, because I

know from conversation with you all over the years that sewer, unless there's been something done that I'm not aware of, was already at its limit. And you're talking about putting in a fourplex of some type. That's four families using that sewer and adding to that sewer line. And I just have to question that a little bit. I think that's something that needs to be on your mind as you're thinking about it. Also, the road itself. You do have the property now to build the road. That's been taken care of. The plat that I did gave you that property. So there's no reason for that road to exist the way it exists. Now, if that became a regular road, this would take all the questioning out of a lot of it, because your traffic would be down. And those are the two main things that I have. I just think you need to look at that. The other things that have been brought up, I don't need to go over that again. Thank you.

AZIERE: Thank you, Joe. Does the applicant wish to rebut anything in the report or public comment?

WHITE: Sure. So, unfortunately, with the zone change, the existing street is out of the scope of the zone change. Mr. Barnes, you mentioned section eight housing as a possibility. That has not been the intent of the developer so far, to my understanding. Mr. Ford, you referenced the site plan and how something is going to fit within the site. That's something that's going to be addressed afterwards as part of the site plan review process with the city as well as the, as Mr. Amos had said, the sewer capacity and the road capacity. Those are also the things that are outside the scope of this study. If you guys have any questions dealing with the zone change, I can answer those or any more questions about the proposed development. Thank you.

AZIERE: Okay. Public comment is now closed for commission action and the floor is open to commissioners' comments.

TRUBE: Has staff considered, instead of this proposal, moving to a TF two-family zoning instead?

AZIERE: That's the second option in the staff report.

HOGAN: I considered just doing two-family for your guys' recommendation and the protective overlay is in there. It's identical to what it would be for MF4, it just doesn't allow that multi-family or three-and-four-family development.

TRUBE: Could there be any potential problems with setbacks or anything like that if you have a fourplex on there? Considering, you know, parking and all that. Do we have the space to actually do that? Because I've lived on a lot about the same size.

AZIERE: I had the same question. What's the frontage on Sunnyside?

HOGAN: The width of the lot?

AZIERE: Yeah.

HOGAN: 99.5ft.

TRUBE: What are the setbacks around?

HOGAN: It has a 30ft building setback line. That has been platted. 15ft on 63rd Street, since it's a corner lot. 20ft on the rear and then six feet on the side.

AZIERE: So I hear what you're saying, and I had the same concerns. What I personally am considering is whether or not a duplex for that lot would come close to maintaining the same feel as a single family home. With the protective overlay of that, that could have, you know, a fenced north or west line and south line. The parking would be in the front rather than the rear because, in my opinion, I don't think you've got enough room to get access to the back of that lot where it sits. And I understand what you're saying. I wouldn't want a parking lot behind my house either. But for me, it comes down to the fact that's a one way street. And you're right. It's not in good condition. It's not wide enough. And it sounds like there is a possibility that in the future that could be widened out to a two way street if we've got platted across the other side of Sunnyside. But it's been this way for 75 years, and we can't expect that it's going to happen anytime soon. It's a possibility, but it's not something we can count on. Those are my concerns. The other thing is what we are considering here today is not even what this particular developer wants to do. Because if we approve multifamily in any form or any kind of zone change and they sell it next week, that next person can do whatever they want with it within that and it wouldn't have any kind of reason to come through us unless they were doing something odd. They could put up a fourplex. They could put up a threeplex. They could do whatever within whatever code we write up. We're looking at the ground itself and not a specific use. So that to me would be concerning also if I was one of the neighbors. I don't know if that creates more questions for any of you or more discussion, but that's kind of where I am.

BLOOD: You're talking about widening Sunnyside. It looks like there is an easement on the east side of the road, but the last two lots there don't have any easement. So that would have to be done.

AZIERE: To the north?

BLOOD: To the south. There's two lots that are, you know, butt up to Sunnyside on the south. Which is what, 6509 and I don't think the other one has an address, but 6509 and the one south of it.

AZIERE: That's not in the staff report though, right?

BLOOD: Yeah. No, I am just saying.

WALLIS: You on county GIS?

BLOOD: Yeah, yeah.

HOGAN: I spoke to our public works director earlier this week, and he's thought about widening South Sunnyside, but just conceptually. There's not enough right-of-way, so it would require right-of-way acquisition to actually do it. But currently the street is 15ft wide.

AZIERE: Okay. I would entertain a motion.

TRUBE: I think a good compromise is if we recommend an approval with the amendment to a two-family zoning, with the protective overlays that were laid out for that. So that is the motion.

AZIERE: Anybody second?

WILLIAMS: I second.

AZIERE: Would you entertain an addition to that?

TRUBE: Sure.

AZIERE: One of one of my other concerns is, and it seems like the county has it addressed, but if we're going to go this direction, I want to make sure that it is written in with this property as it moves forward. We have complete access control for the first 25ft?

HOGAN: 30ft.

AZIERE: I would also say complete access control across 63rd because it's not on the face of the plat. So if anything changes at the county, I think that would be something that we would want to require also.

TRUBE: So amended.

AZIERE: Still seconded?

WILLIAMS: Yes.

Motion by Trube, Second by Williams.

To recommend approval of a zone change to "TF" Two-Family Residential with complete across control dedicated along the entire north side of 63rd and the protective overlay as listed in the staff report.

Williams aye, Trube aye, Aziere nay, Wallis nay, Blood nay.

Motion failed.

AZIERE: Kailyn, what's the next step for this?

HOGAN: It still goes to city council. They can approve your recommendation of denial, or they can override your recommendation of denial, or they can send it back to you guys for further review.

AZIERE: Okay. Everybody catch that? And the next council meeting that it will be heard at will be?

CARTER: October 14th.

AZIERE: Okay. That takes care of any notification issues that you guys should have right?

CARTER: If you guys want to all step outside, I will go over your options with you so you can hear me better and they can continue.

Under New Business was a Review of a Text Amendment to the Zoning Regulations: Article 1. Title, Purpose, Authority and Jurisdiction; Article 2. Interpretation, Construction and Definitions; Article 7. Administration and Enforcement:

AZIERE: Under new business is a review of text amendment to the zoning regulations. Changes to Article 1. Title, Purpose, Authority and Jurisdiction; Article 2. Interpretation, Construction and Definitions; and Article 7. Administration and Enforcement.

HOGAN: Did everyone have a chance to read the Violations and Enforcement section?

AZIERE: Yes.

HOGAN: I handed you guys the new table of contents before we started. You have the current one in front of you. That just lists what everything currently is. And then the proposed one. We're going to be consolidating some of our articles and then taking stuff out of some articles and making them their own. Like definitions will be its own article. Each district will have its own article. So residential zoning districts, commercial zoning districts, industrial zoning districts. We're adding in a violations and enforcement section. Which is what you guys all read earlier. But that's about the gist with the table of contents.

AZIERE: Do you need us to make a recommendation?

HOGAN: No, this is just our review. If you guys want to flip to article one in your binders. We renamed our article one to Legal Framework because we've consolidated it with article one and article two. So our title purpose, authority and jurisdiction are now with our interpretation and construction as well as our vested rights. Title, purpose, authority and jurisdiction didn't change much. We just added a bit of legal words about severability. So if anything in these regulations is found invalid the rest of it is still valid. And then a provision for how we amend these regulations has also been added. Rules and interpretations is the same. For rules of construction, we've added in 300.C, 300.D, and 300.E. These are our rules for the words in these regulations. So if anything defined in a different chapter we'll go with that definition if it's not defined in these regulations. If it's defined by state statute, we'll go with that definition. And then for all illustrations, because in the definitions, if you guys reviewed those earlier, we did add some illustrations to our definitions. So if there's a regulatory provision in there, whatever is actually written down is what is interpreted. For vested rights and preexisting development, we've added 103.C, 103.D, 103.E, and 103.F. These are just rules for existing buildings. And then for 103.G, we added in the state statute for vesting of development rights. We already had this, but it was inaccurate. So this references K.S.A. 12-764 and the exact wording that is in the state statute. But that's all I have for article one.

The majority of article two is all new. We've added in the rules and responsibilities for our Zoning Administrator, the Planning Commission, and the Board of Zoning Appeals. And we've added in all of the procedures for conditional uses, zone changes, variances, appeals, protests, everything to do with zoning regulations. The procedures have been added. We had some of this for conditional uses so that language has been adopted for everything else and altered for how it works in our staff procedures. But we're codifying this. We have a bit of concern with some people retiring in the future. So if we have everything written down now, hopefully that will ease some transition five, ten years from now for how the city processes work. Not only for people who work for the city, but for residents reading the regulations, developers reading the regulations, anyone who comes into contact with it.

And that works with Article 11. Violations and Enforcement. Currently, the only thing we have on violations enforcement is hidden underneath our administration article in the zoning regulations. And it just lists the kind of penalty for what happens if you're in violation of the zoning regulations. So we have drafted the types of violations and the enforcement procedures.

Under New Business was a Review of the Planning Commission Bylaws:

HOGAN: I hope you guys are all familiar with these and have read them before. We're not changing anything. This is just our annual review. Make sure you read them. Make sure you know the rules.

TRUBE: No approval needed?

AZIERE: No, but it sounds like homework.

There was no Old Business.

There was no Correspondence.

Under off agenda:

AZIERE: Next meeting date?

HOGAN: September 11th.

Motion by Trube, Second by Blood.

To adjourn tonight's meeting.

Williams aye, Trube aye, Aziere aye, Wallis aye, Blood aye.

The meeting adjourned at 6:45 p.m.

HAYSVILLE PLANNING COMMISSION/BOARD OF ZONING APPEALS

Minutes

September 25, 2025

The regular Planning Commission Meeting was called to order by Chairperson Tim Aziere at 6:00 p.m. in the Council Chambers at the Haysville Municipal Building, 200 W. Grand Ave., Haysville, KS 67060.

The members present were Mark Williams, Brandon Trube, Debbie Coleman, Tim Aziere, Dan Rinke, and Jeff Blood. Also present was Planning and Zoning Administrator, Kailyn Hogan, and Deputy Administrative Officer, Georgie Carter.

The first item of business was the Minutes of August 28, 2025.

Motion by Trube, Second by Blood.

To approve the minutes as presented.

Williams aye, Trube aye, Aziere aye, Blood aye.

Coleman abstain, Rinke abstain.

Motion carried.

There was no one to speak under Public Forum.

Under Old Business was a Zone Change request from “SF” Single-Family Residential to “MF4” Multi-Family Four Residential for property generally located at 6401 South Sunnyside Road:

HOGAN: So this is our zone change that was presented our last meeting in August. At that meeting, you all made a motion that failed with a vote of two in favor and three opposed. According to state statute, when a motion fails, the default recommendation would be denial, and that can be forwarded to city council. But our city code actually has a 60 day waiting period before that default recommendation can be forwarded.

As such, this item is going to remain on our agenda as old business until either that 60 day period is over, or you make a new motion that passes. The public hearing has closed for this item, so the public is not invited to speak. I can go through the staff report again if requested and answer any questions you may have. Otherwise, your options are to table this item and wait out that 60 day period, or make a new motion. That motion can be a recommendation of approval or a recommendation of denial.

AZIERE: So even though it was recommended for denial before?

TRUBE: Well, it wasn't. The motion was recommending for approval but that failed to pass. So now if we make a motion for the denial and that passes, that clears it off the table.

AZIERE: Everyone was here except Coleman.

COLEMAN: So where does that put me in voting for this? I stayed on top of it, and I was contacted by a community member.

AZIERE: So you are aware of the case?

September 25, 2025

Haysville Planning Commission Meeting Minutes

Page 1

COLEMAN: I am aware.

AZIERE: And you heard the discussion?

COLEMAN: Well, I read the minutes.

AZIERE: Okay. We're happy to have as much discussion as you need to get caught up.

COLEMAN: I was raised in that neighborhood, so I am very familiar with every aspect of that neighborhood.

AZIERE: You don't have any other concerns or questions? You feel like you're informed enough to vote?

COLEMAN: Yes.

Motion by Trube, Second by Coleman.

To deny the zone change.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye.

Blood abstain.

Motion carried.

Under New Business was a Public Hearing for a Conditional Use request to allow an Accessory Dwelling Unit for property generally located at 203 West Sunflower Drive:

HOGAN presented the staff report. There were no questions for staff.

AZIERE: Does the applicant wish to speak? State your name and address for the record.

PAIGE ROUNDS, 203 W Sunflower Dr: Good evening. First of all, I like to thank you guys for taking time out of your evenings to hear me out. My name is Paige Rounds, and I live at 203 West Sunflower Drive. I'm here today requesting approval for an accessory dwelling unit for 400ft² in my backyard. The purpose of this project is to provide safe and affordable housing for my mother, who is recently disabled, allowing her to live close by while maintaining her independence. The design is modest in size, consistent with the residential character of the neighborhood, and will meet all required setbacks and building codes. We worked closely with Kailyn here, as well as Evergy, to ensure that the structure will have the necessary clearance from utility lines and will not create safety and infrastructure concerns. The ADU will connect to existing utilities that are already there and will not place undue burden on services. I believe that this project benefits both my family and the community by supporting multi-generational living while preserving the look and feel of our neighborhood, and I respectfully ask for your support and approval of this request. And thank you again for your time. If you have any questions, feel free to let me know.

AZIERE: I do have one. Do you have any concerns with the requirement for a six foot fence that staff is recommending?

ROUNDS: No. I've been in discussions with both my neighbors on both sides for years about replacing those fences. They're four foot fences. I use the term fence very loosely here.

AZIERE: Okay. Thank you. Any other questions for the applicant?

ROUNDS: Thank you.

AZIERE: Now is the time for any member of the public to speak. Is there anyone from the public that would like to speak? Public comment is now closed for planning commission action. The floor is open for commissioners' comments.

TRUBE: It seems pretty straight forward.

AZIERE: Any general discussion? Anything?

WILLIAMS: I thought I read, couldn't find it now on my phone, but something about the gas line that runs through the backyard was in conflict.

AZIERE: Yeah. I think if I remember correctly, with what I read, any of your existing services that are going to go under, above or around that structure will have to be relocated. That will have to be at your cost. You are aware of that?

ROUNDS: Yeah. For the gas line, I had my yard flagged a few years ago, it is far enough away. We're actually not going to run gas to it, anyway. It will be fully electric.

AZIERE: I know you said it doesn't run under there, but if it did run under the building, they'd want to relocate so they can access it if something happens. Either way you are aware of that.

ROUNDS: Right. The only issue is that the current drop line for the house runs right above it, but we have reached out to Evergy about moving it at our expense.

Motion by Trube, Second by Coleman.

To approve the conditional use request for an accessory apartment subject to the conditions outlined in the staff report.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried.

Under New Business was a Public Hearing for a Variance request to reduce the minimum area of a dwelling from 600 sq. ft. to 400 sq. ft. in the "SF" Single-Family Residential District for property generally located at 203 West Sunflower Drive:

Motion by Trube, Second by Rinke.

To recess the Planning Commission and convene the Board of Zoning Appeals.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried.

HOGAN presented the staff report.

AZIERE: So we have a minimum DU size?

HOGAN: We have a minimum dwelling unit size.

AZIERE: DU.

HOGAN: Yes.

AZIERE: We don't have a minimum accessory structure size requirement?

HOGAN: No.

AZIERE: So we are applying a full dwelling unit size regulation on an accessory dwelling structure? That's the rule that we are breaking, and if we are okay with that, then every other condition is met.

COLEMAN: However, a tiny home is less square footage than it with 599 square feet.

AZIERE: Forgive me, but we have requirements for tiny homes that are in our code currently?

HOGAN: Yes, in our tiny home district, the homes have to be less than 600 square feet. So the maximum dwelling unit size is 599.

TRUBE: And this qualifies as a tiny home?

HOGAN: If a zone change was done for this property to make it tiny home, the current dwelling unit would be a non-conforming structure. So we would not allow that zone change.

AZIERE: Any more questions for staff at this time? Does the applicant wish to speak?

ROUNDS: I don't really have anything else to add to my initial opening. But the reason we chose the 400 square foot, you know, size was because my yard is large, but it's narrow, and we didn't want it to take up too much space or get too close to the utility pole. And it also allowed us to have the carport on the side without, you know, taking up my entire yard. So that was kind of the purpose behind that.

AZIERE: And, sorry, I know it's in here somewhere because I saw it. Your structure, without the carport, is 20 by 20 as opposed to 20 by 30.

ROUNDS: Yes.

AZIERE: Any questions for the applicant? Now's the time for any member of the public to speak. Public comment is now closed for Board of zoning appeals action. The floor is open to commissioner's comments.

TRUBE: I'm inclined to recommend approval. You know, it's a ten foot difference in building size..

AZIERE: Yeah. And I think because of what it is, it's kind of going to look like a shed in someone's backyard. And everybody else in the neighborhood has a shed. I don't know why this would be any different. And the size being smaller, in my opinion, makes it easier to approve than harder. I know that it doesn't meet the requirement that we have, but that seems like an easy decision. So any more discussion? Is there a motion?

TRUBE: I'll go ahead and move that we approve the variance request to reduce the minimum dwelling size from 600 to 400ft².

HOGAN: It is my understanding that state statute is what requires us to meet all five conditions. We can confirm with Josh if we need to meet all five. But since it only meets 4 out of 5, we can't approve it.

AZIERE: But we can recommend approval to the council?

HOGAN: You guys are the only body that approves this.

AZIERE: So if we can't approve it, why is it in front of us?

HOGAN: If you find a way that it does meet this first condition, that it's unique to the property and not caused by the property owner, then you can approve it.

AZIERE: So explain to me again what it doesn't meet?

HOGAN: So we've got those five conditions. Those are what's in italics and underlined in the staff report. Those five are outlined in a state statute that says that all five of these must be met in order for a variance to be approved. And staff has determined that the first condition is not met. If you can find different evidence, or you can determine that that is met, then you can approve it. But if you can't determine that that condition is met, then you will have to recommend denial. But we can confirm with Josh if you have to have all five, so another option is to table it.

TRUBE: And the narrow shape of the property doesn't qualify for number one?

HOGAN: That is your guys's determination.

COLEMAN: I think that would qualify.

TRUBE: Yeah, I mean, the property owner didn't cause the shape of the property to be what it is. So I would think one would qualify by the narrowness of the lot.

Motion by Trube, Second by Williams.

To approve the variance request as presented with the conclusion that the narrowness of the lot satisfies the first condition.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried..

Motion by Trube, Second by Williams.

To adjourn the Board of Zoning Appeals and reconvene the Planning Commission.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

Motion carried.

Under New Business was a Review of a Text Amendment to the Zoning Regulations: Changes to Article 6. Nonconforming Lots & Structures; Article 11. Floodplain Management:

HOGAN: If you guys could flip to Article 10. Nonconformities in your binders. There's a sheet for your notes again. And then we have a staff report this week. There's a summary of our changes in the staff report. And I'll go over every change for the most part. The redline version of this article has some comments with details for why we're making these changes. If you want to flip to that page as well.

Our first change is going to be changing the name of this article to just Nonconformities instead of Nonconforming Lots and Structures. That's because this article deals with more than just lots and structures. There's a section for other certain circumstances that deals with landscaping and fencing and such. Our other change is adding the word nonconforming into this article. It's implied, but never actually stated, besides the title. We'll also be removing 1000.C where it has that date of adoption. It's implied that anything created after the adoption of these regulations is regulated, we don't need that actual date in there.

In section 1001, we've removed the allowance to expand the non-conforming use. There's an article that staff reviewed in the changes of this nonconforming uses that went over the court cases dealing with nonconforming uses and structures. And according to those court cases, we're not required to allow nonconforming uses to expand. So we are going to remove that allowance. We've also removed the allowance for a nonconforming use to be changed into another nonconforming use. When a nonconforming use is going to expire, it should only be replaced with something that is conforming. That is backed up by court cases as well.

In section 1002, we've modified the requirement for modifications and alterations to nonconforming structures. That is still allowed. In 1004, we have modified what qualifies as the removal of other nonconformities. Our landscaping regulations and our off street parking regulations both require conformance in different ways than this article had stated. So we changed it so they now all match.

Section 1006. Discontinuance. Previously, we had different periods of inactivity for if a nonconforming use occurred indoors, or if a nonconforming use occurred outdoors. We changed the discontinuance to be the same for both of those, regardless of where the use is occurring.

Section 1008 has been removed from this article. Registration is not required by state statute and staff has never adopted procedures for the registration of nonconformities. We just have an in-house inventory of where they exist. But that is all the changes to the nonconforming section. Do you have any questions?

TRUBE: Does that require a motion?

HOGAN: No.

BLOOD: Can I ask a question?

HOGAN: Sure.

BLOOD: So back in 1006.C, in the first paragraph, it went from the Board of Zoning Appeals to the Zoning Administrator. So that's just staff?

HOGAN: The zoning administrator will deal with whether a nonconforming use is abandoned or not. That's not something that needs to be presented to the Board of Zoning Appeals by state statute. Any other questions?

Floodplain management is our next section. That's all the way at the end of your binders. We don't have any changes to this section. It's just formatting it to match what the new regulations will look like. And again, this is just a review, so we don't need a motion.

There was no Correspondence.

Under off agenda:

AZIERE: Off agenda?

HOGAN: Our next meeting is October 23rd.

Motion by Trube, Second by Williams.

To adjourn tonight's meeting.

Williams aye, Trube aye, Coleman aye, Aziere aye, Rinke aye, Blood aye.

The meeting adjourned at 6:29 p.m.

09/15/25

Dear Local Franchising Authority,

As you know, Cox is required to obtain permission from local broadcast stations and cable networks to provide their signals on our channel lineup. We're in discussions to renew agreements with the following programmers and broadcasters:

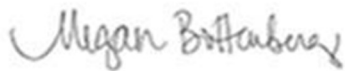

Station/Network	Channel(s)
NBA TV	259
Outdoor Channel	258
TV One	212

If we are unable to reach a new agreement by the expiration dates, these networks can prevent us from including their stations in our lineup.

We know this may be frustrating to our customers, but we're hoping they'll agree that this negotiation is worth the effort to ensure we are delivering quality TV shows and channels at a reasonable price. We continue to actively negotiate with these networks and are working toward renewing our agreements without any disruption of service to our customers.

We will keep you updated with any new information. Please feel free to contact me.

Sincerely,

Megan Bottenberg
Director, Government Affairs
Cox Communications Central Region

10/6/2025

Dear Local Franchising Authority,

We wanted to let you know that effective November 6, 2025, we are increasing the rates of our video and internet services to reflect the increased costs of doing business. We will begin communications to our customers 30 days prior to the increase, which will appear as a message on their bill.

We don't make this decision lightly as we know that any bill increase can have an impact. With that in mind, we remain strongly committed to delivering value to our customers.

Below are our upcoming price changes for video. In addition, some internet customers may see a \$4 increase depending on their service plan.

Price Changes for video services:

Current TV Packages

- Basic Starter will change from \$71.00 to \$80.00
- Cox TV Starter will change from \$71.00 to \$80.00
- Contour Starter will change from \$71.00 to \$80.00
- Basic Preferred will change from \$125.00 to \$140.00
- Cox TV Preferred will change from \$125.00 to \$140.00
- Contour Preferred will change from \$125.00 to \$140.00
- Cox TV Ultimate will change from \$167.00 to \$184.00
- Contour Ultimate will change from \$167.00 to \$184.00

Legacy TV Packages and Surcharges

- Starter will change from \$57.00 to \$66.00
- Contour Flex Starter will change from \$62.00 to \$71.00
- Contour Flex Economy will change from \$88.00 to \$100.00
- TV Economy will change from \$88.00 to \$100.00
- TV Essential will change from \$140.00 to \$155.00
- Advanced TV and Contour TV will both change from \$145.00 to \$160.00

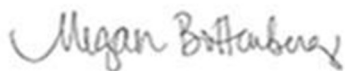

- Contour TV Ultimate will change from \$218.50 to \$235.50
- Flex Watch will change from \$35.50 to \$44.50
- Advanced TV Preferred and Contour TV Preferred will both change from \$157.00 to \$172.00
- Advanced TV Premier and Contour TV Premier will both change from \$169.00 to \$184.00
- Advanced TV Ultimate will change from \$214.98 to \$226.50
- Advanced TV Ultimate with 4 Premiums will change from \$223.98 to \$235.50
- Advanced TV Ultimate with Record 6 DVR will change from \$220.50 to \$235.50
- Contour TV Ultimate with Record 6 DVR will change from \$220.50 to \$235.50
- Paquete Latino will change from \$68.00 to \$77.00
- El Mix will change from \$90.49 to \$99.49
- TV Economy Latino will change from \$91.00 to \$103.00
- Contour Flex Starter Latino will change from \$72.00 to \$81.00
- Contour Flex Economy Latino will change from \$98.00 to \$110.00
- Contour TV Latino will change from \$155.00 to \$170.00
- Contour TV Latino Ultimate will change from \$237.00 to \$252.00

Additional TV Experiences

- Entertainment Pack will change from \$16.00 to \$17.00
- Economy Pack will change from \$26.00 to \$29.00
- Sport & News Pack will change from \$36.00 to \$38.00

If you have any questions, please don't hesitate to reach me.

Sincerely,

Megan Bottenberg

Residential Housing Development

Current and Upcoming Housing Developments (information provided is subject to change)

- Wheatland Village Addition (located on the west side of Meridian just north of Country Lakes Addition) will feature 131 single-family homes and 46 duplexes. In progress.
- Lakefield Addition (located at the northeast corner of 79th and Meridian) will consist of 59 single-family homes and has been newly annexed into the city.
- Grand and Plaza Addition (located at the northeast corner of Grand and Plaza, across from the 135 Exit) will have 16 duplexes / 32 units. In progress.
- The city-owned property (south of 79th and west of Meridian) will be open for housing developers to bid on in the future and is expected to accommodate approximately 153 homes.
- Copper Tail is a high-end quadplex and duplex development situated at 777 Grand. The project includes 100 units, with 36 completed or nearing completion, signifying the end of phase one of three. Full residential construction is expected to be completed in 2026.
- Timber Creek (located off Seneca on the south edge of town) has 6 lots for future home construction owned by private parties.
- The Assisted Living and Memory Care Facility located at Karla and Kay Avenue will feature a total of 51 units, which include 37 assisted living units and 14 memory care units. Construction is anticipated to begin soon.

Future Development

- Once the Southwest Sanitary Sewer Interceptor is completed, approximately 1,000 acres southwest of Haysville are possible for development. This area could accommodate up to 3,000 homes if developed for residential use. The costs of development have been reduced due to the gravity-flow nature of the interceptor. Reduced development costs will result in reduced special assessments.

Commercial Construction

Current and Upcoming New Commercial Developments (information provided is subject to change)

- Flex Space, a versatile storage facility that can be used for various purposes, combining storage with office or workspace areas, is currently being constructed at 140 N. Cain Dr. (at the corner of Grand and Cain Dr.). Some units are now available.
- Copper Tail, located on Grand Avenue between Jane Street and Marlen Drive, plans to develop a retail strip once the housing units are completed.
- The lot closest to Wholesale Fireworks/Jumpy Jump Land (located to the east) will soon be developed into a commercial building.
- The other lot east of Wholesale Fireworks/Jumpy Jump Land will soon be developed into a commercial building with at least two units. One unit will be a laundromat.

Marketing, Outreach, and Economic Development Initiatives

- The City and Hello Haysville web pages were refreshed in 2022 and are updated regularly.
- Continued strategic marketing of local events and organizations through social media channels, including Facebook, YouTube (marketed in-house since March 2022), Instagram, X (Twitter), and the City and Hello Haysville websites.
- Marketing on Travel.com for local businesses and events, including a dedicated Haysville travel page in 2023.
- In January 2025, Haysville was added to the Love Kansas website as part of the Kansas Department of Commerce's campaign to attract new and former residents to the state.
- In 2026, Riggs Park will be featured in the Official Kansas to the Stars Travel Guide, highlighting Party in the 060 and Fall Festival and directing readers to the City's website.
- Developed and launched an Economic Development video in 2025 to promote Haysville as a business-friendly community, shared on YouTube, Facebook, LinkedIn, and the City's website.
- Since May 2022, the City has partnered with PBS/KPTS to expand local video production opportunities and increase the marketing reach of community events. In March 2024, PBS/KPTS aired "Kansas from Above: Cities and Towns," a documentary featuring Haysville, which continues to air periodically.
- Advertising in the Kansas Quarterly Magazine since 2023 for the Party in the 060 and the Fall Festival.
- Continued marketing on Main and Grand electronic signs.
- Participation in the ICSC (International Council of Shopping Centers) Retail Conference since 2023 to explore opportunities for enhancing the City's retail offerings.
- Attended the inaugural Connecting Entrepreneurial Communities (CEC) Conference in June 2025 to expand knowledge of business retention and expansion strategies and to build connections within Kansas's entrepreneurial community.
- Ongoing promotion and outreach to potential businesses for the five restaurant incentives, established in 2023, and reviewed and updated as needed.
- Continued promotion of available residential land with developers.
- Ongoing collaboration with businesses on retention and new development, maintaining confidentiality when requested to ensure trust.
- Available commercial buildings and land for sale or lease are regularly updated on LOIS (Location One) and LoopNet/Co-Star. LOIS includes a dedicated City of Haysville page maintained by the Economic Development Office, which also supports Kansas Chamber of Commerce data requests and opportunities. Direct links are available on the City website under Business Development for easy access by interested businesses and developers.
- Active connection, participation, and networking with regional organizations, including WAMPO (Technical Advisory Committee member), WABA (Developers and Codes Committee member), Team Kansas (member since 2024), SCAC (bi-monthly meetings), the Haysville Chamber of Commerce (collaborative partner for business retention, recruitment, and as the City's representative on the Chamber Board), and the Greater Wichita Partnership (participation in quarterly Economic Development meetings and regional reporting).
- Membership in Team Kansas, an economic development group within the Kansas Department of Commerce, focused on attracting new businesses, investment, and jobs to Kansas while providing opportunities to network and partner with site developers and economic development professionals.
- Continued research on grants and incentives to benefit the City's economic development efforts.

TO: The Honorable Russ Kessler
City Council Members

FROM: Danielle Gabor, Economic Development Director

SUBJECT: Memorandum of Understanding with Friends University for
Economic Development Strategic Plan and Assessment

ATTACHMENT: Memorandum of Understanding

DATE: October 14, 2025

The City of Haysville is updating its Economic Development Strategic Plan and Assessment. To support this effort, the City will partner with Friends University through a Memorandum of Understanding (MOU) developed by the University and reviewed by City Attorney Josh Pollak.

This initiative combines the previously separate 2010 Economic Development Strategic Plan and 2017 Assessment into a single, comprehensive document. The new plan will align with the City's current Comprehensive Plan and ongoing staff initiatives. It will serve as a guide for business attraction, resident services, and overall quality of life. There is no cost to the City.

Friends University's Center for Enterprise and Community Engagement will lead the project with City staff. Objectives include updating the strategic plan and assessment, integrating findings from the 2025 Community Survey, the 2024 Retail Study, the 2023 Housing Study, and the 2024 housing grant data. Additionally, objectives involve engaging community members and stakeholders through surveys, town halls, and partnerships, and producing a clear, actionable plan to guide business and community development.

This collaboration offers Friends University students practical experience in economic development, guided by Rachel Steiner, Director of the Center for Enterprise and Community Engagement. The project is scheduled to begin in November 2025 and is expected to conclude by April 13, 2026, with a final presentation to the City Council. Rachel Steiner will communicate regularly with City staff throughout to ensure coordination and progress.

I recommend moving forward with the Memorandum of Understanding with Friends University. This is before you for your consideration. I am happy to answer any questions.

MEMORANDUM OF UNDERSTANDING

FRIENDS UNIVERSITY and

THE CITY OF HAYSVILLE

1. **Parties.** This Memorandum of Understanding (hereinafter referred to as “**MOU**”) is made and entered into by and between the Friends University (the “**University**”), whose address is 2100 W. University Ave., Wichita, Kansas, 67213 and The City of Haysville, whose address is 200 W. Grand Ave..

2. **Purpose.** The purpose of this MOU is to establish the general terms and conditions under which the University and The City of Haysville will cooperate to provide learning experiences and access to The City of Haysville’s property and activities consistent with the University procedures and policies, as revised from time to time (“**Policies**”).

3. **Term of MOU.** This MOU will be effective as of November 1st, 2025, and shall remain in effect without a specified ending date. This MOU may be terminated, without cause, by either party upon 60 days’ advance written notice, which notice shall be delivered by hand, certified mail, or nationally recognized overnight delivery services (e.g., UPS, FedEx, etc.) to the other party at the address of the other party listed above.

4. **Responsibilities of Friends University.** Consistent with other students enrolling in the Degree Program at the University, the University will provide such students with the standard educational supports and services offered to all undergraduate students enrolled full-time at the University. Additional responsibilities of the University include:

- a. *Services.* University will undertake to provide the services and deliverables set forth on **Exhibit A**.
- b. *Adherence to Policies and Procedures.* University will supervise students in the ordinary course of their educational activities related to this MOU and enforce its Policies in connection therewith. The City of Haysville and the University agree that students remain subject to and must abide by the University’s Policies for academic conduct.
- c. *Insurance.* University agrees that students will be covered by its commercial general liability insurance while students are engaging in the activities with The City of Haysville, including on The City of Haysville’s property, pursuant to this MOU.

- d. *Indemnification.* The University agrees to indemnify, defend, and hold harmless The City of Haysville, its employees, agents, directors, and officers, from and against any and all claims, actions, liability loss, damages, costs, and expenses, including reasonable attorneys' fees, arising directly or indirectly from (i) the University's failure to satisfy or perform its obligations and duties arising under this MOU; or (ii) the negligent, illegal, or wrongful misconduct, or acts or omissions of University faculty or students while engaging in activities with or on The City of Haysville's property.

5. Responsibilities of The City of Haysville. Students enrolled in the Degree Program through the University will receive part of their education at The City of Haysville's facilities, including The City of Haysville's employees, all of which will be made available to University students for educational purposes, within mutually-agreeable limits and during normal operation hours. As a result, The City of Haysville will be responsible for providing the following:

- a. *Services.* The City of Haysville will undertake to provide the services and deliverables set forth on **Exhibit A**.
- b. *Adherence to Policies and Procedures.* The City of Haysville shall ensure that all University students are provided copies of The City of Haysville's current policies and procedures and ensure that students acknowledge receipt of such policies and procedures. The City of Haysville will promptly notify University in writing of any student's consistent failure to abide by such policies and procedures and the parties will then mutually agree upon a course of action/correction.

The City of Haysville and the University agree that students remain subject to and must abide by the University's Policies for academic conduct.

- c. *Access.* Per agency policy, students will be provided with identification tags for identification and use as students when they are on The City of Haysville premises, with limited and supervised access to The City of Haysville facilities.
- d. *Insurance.* The City of Haysville agrees that students will be covered by The City of Haysville's commercial general liability insurance while students are engaging in the activities with The City of Haysville and on The City of Haysville's property pursuant to this MOU.
- e. *Indemnification.* The City of Haysville shall indemnify and hold harmless the University, its employees, agents, directors, officers, and trustees, from and against any and all claims, actions, liability loss, damages, costs, and expenses, including reasonable attorneys' fees, arising directly or indirectly from (i) use of The City of Haysville's facilities available to the students; (ii) The City of Haysville's failure to satisfy or perform its obligations and duties arising under this MOU; or (iii) The

City of Haysville's negligent, illegal, or wrongful misconduct, or acts or omissions of its personnel or agents.

6. Confidentiality and Privacy. The parties acknowledge that throughout University students' participation in the activities with and on The City of Haysville's premises, students may have access to confidential information of others. The City of Haysville agrees, as part of its policies and procedures, to inform students, and ensure students' understanding and required compliance with all applicable privacy and confidentiality laws, regulations, and standards.

7. Non-Employment Status. Students participating in activities pursuant to this MOU shall not be considered employees, agents, or representatives of either the University or The City of Haysville.

8. Intellectual Property Ownership and License. Any intellectual property, including but not limited to written materials, presentations, designs, or other deliverables ("Student Work") created by students in the course of their participation in activities under this MOU shall be owned by the individual student, unless otherwise agreed in writing.

Each student, by participating in the program, grants to the University, a non-exclusive, royalty free, perpetual license to use, reproduce, display, distribute and otherwise utilize the Student Work for purposes including, but not limited to, the advancement and promotion of the University's Center for Enterprise and Community Engagement, educational, research or instructional activities, publicity, communications, and reporting regarding the partnership and program outcomes between the University and The City of Haysville.

Nothing in this section shall obligate any student to create specific intellectual property, nor does it restrict students' rights to use and license their own Student Work independently.

9. General Provisions.

A. Amendments. Either party may request changes to this MOU. Any changes, modifications, revisions or amendments to this MOU which are mutually agreed upon by and between the parties to this MOU shall be incorporated by written instrument, and effective when executed and signed by all parties to this MOU.

B. Entirety of Agreement. This MOU represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral.

C. Severability. Should any portion of this MOU be judicially determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and the parties may renegotiate the terms affected by the severance.

D. Third Party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this MOU shall not be construed to create such status. The rights, duties and obligations contained in this MOU shall operate only between the parties to this MOU and shall only be administered solely to the benefit of the parties to this MOU. The provisions of this MOU are intended only to assist the parties in determining and performing their obligations under this MOU. The parties to this MOU intend and expressly agree that only the parties signatory to this MOU shall have any legal or equitable right to seek to enforce this MOU, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this MOU, or to bring an action for the breach of this MOU.

E. MOU Review. The University and The City of Haysville agree to meet as needed during the term of this MOU to negotiate in good faith, any changes or updates required to the MOU such as updates or changes to the parties' responsibilities, changes to class size or location, or liability coverage.

F. Titles and Captions. All article and section titles or captions in this MOU are for convenience only. They shall not be deemed part of this MOU and in no way define, limit, extend or describe the scope or intent of any provisions hereof.

G. Waiver. A waiver or consent, express or implied, to or of any breach or default by any party in the performance by that party of its obligations hereunder or with respect to this MOU is not a consent or waiver to or of any other breach or default in the performance by that party of the same or any other obligations of that Party hereunder or with respect to the MOU. Failure on the part of a party to complain of any act of any party or to declare any party in default hereunder or with respect to the MOU, irrespective of how long that failure continues, does not constitute a waiver by that party of its rights with respect to that default until the applicable statute-of-limitations period has run.

H. Force Majeure. Noncompliance by either party with the obligations of this MOU due to force majeure (laws or regulations of government, war, civil commotion, destruction of facilities and materials, fire, flood, earthquake, storm, labor disturbances, shortage of materials, failure of public utilities or common carriers) or any other causes beyond the reasonable control of the applicable party, shall not constitute breach of this MOU and such party shall be excused from performance hereunder to the extent and for such duration of such prevention, provided it uses its best efforts to cause the event of the force majeure to terminate, be cured or otherwise.

I. Assignment. Neither party may assign its rights and duties under this MOU without the other party's written consent. To the extent permitted herein, this MOU shall be binding upon and inure to the benefit of the parties and their permitted successors and assigns.

10. Signatures. In witness whereof, the parties to this MOU, through their duly authorized representatives, have executed this MOU on the day(s) and date(s) set out below, and certify that they have read, understood, and agreed to the terms and conditions of this MOU as set forth herein.

The effective date of this MOU is the date of the signature last affixed to this page.

EXHIBIT A

Services, Timelines and Deliverables

1. Purpose and Objectives

The purpose of this MOU is to establish the framework for the **City of Haysville Economic Development Strategic Plan & Assessment** project. The objectives of the project include:

- **Objective 1:** Develop an updated **Economic Development Strategic Plan and Assessment** to replace the 2010 plan.
- **Objective 2:** Review and incorporate findings from recent studies:
 - 2025 Community Survey
 - 2024 Retail Study
 - 2023 Housing Study and 2024 housing grants.
- **Objective 3:** Engage community members and stakeholders through surveys, town halls, and partnerships.
- **Objective 4:** Provide a clear, actionable plan to guide business attraction, resident services, and quality of life improvements.

2. Roles and Responsibilities

- **City of Haysville:** Will provide support for the project, including access to City of Haysville resources, facilities, and personnel for training and development. The City of Haysville will also assist in connecting the project to community stakeholders.
 - The City of Haysville will share information on project, students, and Friends University on social media channels to help promote CECE and will take part in a podcast to talk about the project in the spring.
- **Friends University:** Will manage the project team, including students, faculty, and other resources, and provide academic expertise in business planning, marketing, and operational strategy.

3. Timeline and Milestones

The project will commence in **November 2025** and conclude by **April 13th, 2026**. The key milestones are as follows:

- **Milestone 1:** Research and review current plan and assessment
- **Milestone 2:** Conduct surveys and host a town hall to establish baseline of community needs.
- **Milestone 3:** Feasibility Analysis
- **Milestone 4:** Draft report
- **Milestone 5:** Final presentation to city council

4. Communication and Reporting

- The project manager, Rachel Steiner, will communicate monthly with Russ Kessler, Will Black and Danielle Gabor, keeping all parties informed on project progress.
- The City of Haysville will work with students during the semester to ensure alignment with their goals and expectations.
- Progress reports will be submitted at key intervals, including the start, mid-point, and conclusion of the project.

TO: The Honorable Russ Kessler
City Council Members

FROM: Georgie Carter, Deputy Administrative Officer

SUBJECT: Historic District - Paving Sidewalks

DATE: October 7, 2025

At the October Park Board meeting, the committee discussed paving the gravel paths in the Historic District. This proposal was presented to the Historic Committee earlier this year, and the committee expressed its support. Replacing the existing gravel paths with concrete sidewalks will enhance accessibility, provide a smoother walking surface, and reduce maintenance requirements.

The new pathways will be eight feet wide from the north round flower bed to the “Y” behind the Blacksmith Shop, including the walkway to the crosswalk on the west side. All remaining sections will be six feet wide. A map showing the proposed sidewalk locations is attached for reference.

This project is part of the “Parks Master Plan” project priority list and is scheduled to be completed after January 2, 2026. The pricing below is based on work done at that time to avoid interfering with the Christmas events in the Historic District.

Below are the three bids we received for the project. I am requesting authorization for an amount not to exceed \$60,000 to Brad Murray Inc. for the installation of concrete sidewalks in the Historic District, which includes a contingency allowance. Funding for this project will be through the Park/Recreation Sales Tax fund.

Brad Murray Inc.	\$56,295
South Central Sealing & Paving	\$71,731
APAC	\$81,266

SUBJECT: Facility Agreement Everful - Senior Center

DATE: September 16, 2025

Attached is a copy of the Senior Center facility agreement with Everfull Meals for Meals on Wheels/Friendship Meals. The changes are to company name, dates and the use of Wi-Fi. This has been reviewed by City staff and the attorney.

This is before you for your approval.

FACILITY AGREEMENT
Between
AGING PROJECTS INC., d/b/a EVERFULL
MEALS ON WHEELS/FRIENDSHIP MEALS
And
HAYSVILLE SENIOR CENTER

ADDRESS: 160 E. Karla

CITY: Haysville STATE: Kansas ZIP: 67060

TELEPHONE: 316-529-5903

This agreement is made to provide TITLE III Nutrition Program to persons 60 years of age and older. It contains policies mutually agreed to by the above agencies and approved by the Central Plains Area Agency on Aging (CPAAA).

EVERFULL agrees to:

1. That the kitchen is to be used by Everfull Meals on Wheels/Friendship Meals from 8:30 a.m. to 1:00 p.m. each Monday through Friday, Monday through Friday, October 1, 2025, through September 30, 2026. Excluded days shall be October 13, 2025; November 11, 2025; November 27 and 28, 2025; December 25 and 26, 2025; January 1, 2026; January 19, 2026; February 16, 2026; April 03, 2026; May 25, 2026; June 19, 2026; July 3, 2026; and September 7, 2026. Additional closing or open dates and/or times may be requested. Should Everfull operate on a date when the Haysville Senior Center is closed, the Center Manager will be responsible for opening and closing of the facility.
2. Employ and supervise a Center Manager to oversee the program and coordinate the work of the volunteers. The Center Manager will be an employee of the Everfull and will be fully responsible for the operation of the site in compliance with program regulations, and under the sole supervision of the Everfull staff. The Center Manager will ensure that all work has been completed prior to end of shift.
3. Provide equipment and supplies necessary to deliver and serve the meals, and clean the equipment and tables used for the program before and after meals.
4. Provide services of the Area Supervisor to supervise the Site Supervisor in the operation of the site.
5. Pay all bills for meals, consumable supplies, staff training, meal transport and incidental expenses directly related to the meals.

6. Send to the Dining Center all communications from the central office that are sent to other centers, and always give the same consideration as the other centers receive.
7. Handle registration, meal reservations and deposit of contributions according to the Everfull Policy. Participants will be informed of the cost of providing the meal and be encouraged to contribute according to their ability.
8. Acknowledge the cooperation of the Haysville Senior Center in Nutrition Program publicity whenever possible.
9. Sweep kitchen and lunchroom floor daily.
10. Empty all trash daily and replace trash liners with Everfull provided trash bags.
11. Wipe down the warmer daily and clean the refrigerator weekly.
12. Lock cabinets after meals on Fridays to ensure Everfull equipment and program supplies can't be used during rental of the Senior Center.
13. Inform the Director of the Haysville Senior center any time meals will not be served.
14. Assist Haysville Senior Center Director in arranging occasional activities at a time that would encourage participation in the meal program.

THE HAYSVILLE SENIOR CENTER agrees to:

1. Provide in-kind space, chairs, and tables for serving customers between approximately 11:00 a.m. to 1:00 p.m., on days the program operates, and provides secure storage for API supplies and equipment related to the meals. (equipment and program supplies will not be used for any other events without prior approval of the Everfull Executive Director and/or Area Supervisor).
2. Arrange for the opening and closing of the facility for food delivery unless special arrangements are made with the Everfull Executive Director and/or Area Supervisor.
3. Purchase a license for food service from the authority designated by the state to issue the license and provide a copy of the license to the Everfull central office.
4. Provide use of refrigerator and stove, in good repair, as needed.
5. Haysville Senior Center staff will ensure that the program may be conducted in a safe, clean, and sanitary manner by providing basic custodial service, including care of floors

in the meeting room and regular cleaning of the bathrooms. Assure that the area designated for use will be in the same condition, at the start of each serving day, that it was left in after the end of each Everfull serving day and that the State of Kansas Department of Agriculture standards for kitchen and dining room cleanliness shall be enforced.

6. Provide space for two bulletin boards and a sign designating the Nutrition Program, during the hours the program is in operation.
7. Arrange for timely inspection of fire extinguishers and smoke alarms and furnish copies of the inspections to Everfull Central Office to comply with CPAAA requirements.
8. Include Everfull in all publicity related to the program. This includes Haysville Senior Center newsletters and calendars. Show the Everfull Meals on Wheels/Friendship Meals as a regular scheduled activity.
9. Assure that persons in the community who are under age 60, are informed that they are not eligible for the nutrition program unless they choose to volunteer the day that they eat. (Any person under 60, including Haysville Senior Center staff, may participate by making a reservation and by paying the full non-participant price for the meal if under 60 years of age.) The Center further agrees that they will not keep and/or use any leftover Everfull foods for any purpose due to health codes, CPAAA regulations and liability issues.
10. Allow use of the building telephone for occasional necessary calls to and from the Everfull office.
11. To allow use of the building's internet services by Wi-Fi or hardwire during the contracted time above.
12. Schedule occasional activities at a time to encourage participation in the meal program and take into consideration the impact to the program and Everfull customers when scheduling group activities at such a time those Everfull participants would need to choose between an Everfull meal or participating in another center activity.
13. That equipment shall be the responsibility of the buyer/owner.
14. That all electrical, lighting, sewer and other building maintenance problems shall be the responsibility of the building owner.
15. That no one shall be discriminated against based on race, religion, color, sex, disability, national origin, or ancestry.

EVERFULL and HAYSVILLE SENIOR CENTER agree that:

1. Any changes to this agreement will be negotiated by the signers of this agreement or their designee. Changes can be made only with the approval of parties listed below.
2. This agreement will remain in effect for the duration of Everfull's Friendship Meals/Meals on Wheels contract with Central Plains Area Agency on Aging October 1, 2025-September 30, 2026.
3. This agreement may be renewed or canceled by either party with 30 days' notice or on the effective date of renewal or termination of the Everfull/Central Plains Area Agency on Aging contract, whichever occurs first.

Re: Design Agreement with PEC

We have received a design agreement from PEC for the Assisted Living Facility project. The plans were previously about 90% complete when the developer placed the project on hold. This agreement allows PEC to complete the remaining design work.

We are requesting authorization to approve the design agreement with PEC in the amount of \$21,500.00.

Reference: AGREEMENT for River Forest 3rd Addition – Paving & Water Distribution
Haysville, KS
PEC Project No. 35-257002-011-1263

Dear Mr. Clark:

Professional Engineering Consultants, P.A. (“PEC”) is pleased to provide professional services to City of Haysville (“Client”) in connection with the referenced Project, and in accordance with this letter agreement (“Agreement”). The services to be performed by PEC (“the Services”) are described in Exhibit A – Services, Schedule, and Payment (attached and incorporated by reference) and are subject to the following terms and conditions.

Performance. PEC will perform the Services with the level of care and skill ordinarily exercised by other consultants of the same profession under similar circumstances, at the same time, and in the same locality. PEC agrees to perform the Services in as timely a manner as is consistent with the professional standard of care and to comply with applicable laws, regulations, codes and standards that relate to the Services and that are in effect as of the date when the Services are provided.

Client Responsibilities. To enable PEC to perform the Services, Client shall, at its sole expense: (1) provide all information and documentation regarding Client requirements, the existing site, and planned improvements necessary for the orderly progress of the Services; (2) designate a person to act as Client representative with authority to transmit instructions, receive instructions and information, and interpret and define Client requirements and requests regarding the Services; (3) provide access to, and make all provisions for PEC to enter the project site as required to perform the Services, including those provisions required to perform subsurface investigations such as, but not limited to, clearing of trees and vegetation, removal of fences or other obstructions, and leveling the site; (4) site restoration and repair, as needed following field investigations; (5) establish and periodically update a project budget, which shall include a contingency to cover additional services as may be required by changes in the design or Services; and (6) timely respond to requests for information and timely review and approve all design deliverables. PEC shall be entitled to rely on all information and services provided by Client. Client recognizes field investigations may damage existing property. PEC will take reasonable precautions to minimize property damage whenever field investigations are included in the Services.

Payment. Invoices will be submitted periodically and are due and payable net 30 days from invoice date. Unpaid balances past due shall be subject to an interest charge at the rate of 1.5 % per month from the date of the invoice, and any related attorneys’ fees and collection costs. PEC reserves the right to suspend the Services and withhold deliverables if the Client fails to make payment when due. In such an event, PEC shall have no liability for any delay or damage resulting from such suspension.

Work Product. PEC is the author and owner of all reports, drawings, specifications, test data, techniques, photographs, letters, notes, and all other work product, including in electronic form, created by PEC in connection with the Project (the “Work Product”). PEC retains all common law, statutory, and other reserved rights in the Work Product, including copyrights. The Work Product may not be reproduced or used by the Client or anyone claiming by, through or under the Client, for any purpose other than the purpose for which it was prepared, including, but not limited to, use on other projects or future modifications to the Project, without the prior written consent of PEC. Any unauthorized use of the Work Product shall be at the user’s sole risk and Client shall indemnify PEC for any liability or legal exposure arising from such unauthorized use. To the extent PEC terminates this Agreement due to non-payment by Client shall not be entitled to use the Work Product for any purpose without the prior written consent of PEC.

Unless otherwise agreed by Client and PEC, Client may rely upon Work Product only in paper copy (“hard copy”) or unalterable digital files, with either wet or digital signature meeting the requirements of the governing licensing authority having jurisdiction over the Project. In all instances, the original hard copy of the Work Product takes precedence over electronic files. All electronic files furnished by PEC are furnished only for convenience, not reliance by Client, and any reliance on such electronic files will be at the Client sole risk.

Insurance. PEC and Client agree to each maintain statutory Worker’s Compensation, Employer’s Liability Insurance, General Liability Insurance, and Automobile Insurance coverage for the duration of this Agreement. Additionally, PEC will maintain Professional Liability Insurance for PEC’s negligent acts, errors, or omissions in providing Services pursuant to this Agreement.

Supplemental Agreements. Changes in the Services may be accomplished after execution of this Agreement only by a written Supplemental Agreement signed by PEC and Client. For any change that increases PEC’s cost of, or time required for performance of any part of the Services, PEC’s compensation and time for performance will be equitably increased.

Differing, Concealed, or Unknown Conditions. If PEC encounters conditions at the Project site that are (1) subsurface or otherwise concealed physical conditions that differ materially from those indicated in the information provided to PEC or (2) unknown physical conditions of an unusual nature that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities provided for in this Agreement, PEC will, if practicable, promptly notify Client before conditions are disturbed. Subsurface condition identification is limited to only those points where samples are taken. The nature and extent of subsurface condition variations across the site may not become evident until construction. PEC assumes no liability for site variations differing from those sampled or changed conditions discovered during construction. If the differing, concealed, or unknown conditions cause an increase in PEC’s cost of, or time required for performance of any part of the Services, PEC’s compensation and time for performance will be equitably increased.

Additionally, Client (1) waives all claims against PEC and (2) agrees to indemnify and hold harmless PEC as well as its respective officers, directors and employees, from and against liability for claims, losses, damages, and expenses, including reasonable attorneys’ fees from all third-party claims resulting from differing, concealed, or unknown conditions.

Fast-Track, Phased or Accelerated Schedule. Accelerated, phased or fast-track scheduling increases the risk of incurring unanticipated costs and expenses including costs for PEC to coordinate and redesign portions of the Project affected by the procuring or installing elements of the Project prior to the completion of all relevant construction documents, and costs for the contractor to remove and replace previously installed work. If Client selects accelerated, phased or fast-track scheduling, Client agrees to include a contingency in the Project budget sufficient to cover such costs.

Force Majeure. PEC will not be liable to Client for delays in performing the Services or for any costs or damages that may result from: labor strikes; riots; war; acts of terrorism; acts or omissions of governmental authorities, the Project Client or third parties; extraordinary weather conditions or other natural catastrophes; acts of God; unanticipated site conditions; or other acts or circumstances beyond the control of PEC. In the event performance of the Services is delayed by circumstances beyond PEC's control, PEC's compensation and time for performance will be equitably increased.

Construction Means; Safety. PEC shall have no control over and shall not be responsible for construction means, methods, techniques, sequences or procedures, or for construction safety precautions and programs. PEC shall not be responsible for the acts or omissions of any contractor, subcontractor or any other person performing any work (other than the Services), or for the failure of any of them to carry out their work in accordance with all applicable laws, regulations, codes and standards, or the construction documents.

Cost Estimates. Upon request, PEC may furnish estimates of probable cost, but cannot and does not guarantee the accuracy of such estimates. All estimates, including estimates of construction costs, financial evaluations, feasibility studies, and economic analyses of alternate solutions, will be made on the basis of PEC's experience and qualifications and will represent PEC's judgment as a design professional familiar with the construction industry. However, PEC has no control over (1) the cost of labor, material or equipment furnished by others, (2) market conditions, (3) contractors' methods of determining prices or performing work, or (4) competitive bidding practices. Accordingly, PEC will have no liability for bids or actual costs that differ from PEC's estimates.

Termination. Both the Client and PEC have the right to terminate this Agreement for convenience upon fifteen calendar days' written notice to the other party. In the event the Client terminates this Agreement without cause, PEC shall be entitled to payment for all Services performed and expenses incurred up to the time of such termination, plus fees for any required transition services, and reimbursement of all costs incurred which are directly attributable to such termination.

Environmental Hazards. Client acknowledges that the Services do not include the detection, investigation, evaluation, or abatement of environmental conditions that PEC may encounter, such as mold, lead, asbestos, PCBs, hazardous substances (as defined by Federal, State or local laws or regulations), contaminants, or toxic materials that may be present at the Project site. Client agrees to defend, indemnify, and hold PEC harmless from any claims relating to the actual or alleged existence or discharge of such materials through no fault of PEC. PEC may suspend the Services, without liability for any damages, if it has reason to believe that its employees may be exposed to hazardous materials.

Betterment. PEC will not be responsible for any cost or expense that provides betterment, upgrade, or enhancement of the Project.

Dispute Resolution. The Client and PEC will endeavor to resolve claims, disputes and other matters in issue arising out of this Agreement, the Project or the Services through a meet and confer session. The meeting will be attended by senior representatives of Client and PEC who have full authority to resolve the claim. The meeting will take place within thirty (30) days after a request by either party,

unless the parties mutually agree otherwise. Prior to the meeting, the parties will exchange relevant information that will assist in resolving the claim.

If the parties resolve the claim, they will prepare appropriate documentation memorializing the resolution.

If the parties are unable to resolve the claim, PEC and Client agree to submit the claim to mediation prior to the initiation of any binding dispute resolution proceedings (except for PEC claims for nonpayment). The mediation will be held in Wichita, Kansas, and the parties will share the mediator's fees and expenses equally.

Jurisdiction; Venue; Governing Law. To the fullest extent permitted by law, PEC and Client stipulate that the Eighteenth Judicial District, District Court, Sedgwick County, Kansas is the court of exclusive jurisdiction and venue to determine any dispute arising out of or relating to this Agreement, the Project or the Services. PEC and Client further agree that this Agreement shall be construed, interpreted and governed in accordance with the laws of the State of Kansas without regard to its conflict of laws principles.

Indemnity. To the fullest extent permitted by law, Client and PEC each agree to indemnify and hold harmless the other, as well as their respective officers, directors and employees, from and against liability for claims, losses, damages, and expenses, including reasonable attorneys' fees, provided such claim, loss, damage, or expense is attributable to bodily injury, sickness, disease, death, or property damage, but only to the extent caused by the negligent acts or omissions of the indemnifying party, or anyone for whose acts they may be liable.

Agreed Remedy. To the fullest extent permitted by law, the total liability, in the aggregate, of PEC and PEC's officers, directors, employees, agents, and consultants to Client and anyone claiming by, through or under Client, for any and all injuries, claims, losses, expenses, or damages, including, without limitation, attorneys' fees, arising out of or in any way related to this Agreement, the Services, or the Project, from any cause and under any theory of liability, shall not exceed PEC's total fee under this Agreement. In no event will PEC be liable for any indirect, incidental, special or consequential damages, including, without limitation, loss of use or lost profits, incurred by Client or anyone claiming by, through or under Client.

Assignment. Client will not assign any rights, duties, or interests accruing from this Agreement without the prior written consent of PEC. This Agreement will be binding upon the Client, its successors and assigns.

No Third-Party Beneficiaries. This Agreement is solely for the benefit of PEC and Client. Nothing herein is intended in any way to benefit any third party or otherwise create any duty or obligation on behalf of PEC or Client in favor of such third parties. Further, PEC assumes no obligations or duties other than the obligations to Client specifically set forth in this Agreement. PEC shall not be responsible for Client obligations under any separate agreement with any third-party.

Entire Agreement. This Agreement represents the entire and integrated agreement between PEC and Client and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may only be amended by a writing signed by PEC and Client.

Will Black, Chief Administrative Officer
City of Haysville
River Forest 3rd – Paving & Water Distribution

Severability. If any provisions of this Agreement is determined to be unenforceable, in whole or in part, the remainder shall not be affected thereby and each remaining provision or portion thereof shall continue to be valid and effective and shall be enforceable to the fullest extent permitted by law.

Thank you for engaging PEC; we look forward to working with you. If this Agreement is acceptable, please sign below and return an executed copy to me. Once received, a copy of the Agreement will be executed and returned.

PROFESSIONAL ENGINEERING CONSULTANTS, P.A.

By:  _____, Signatory

Printed Name: Benjamin M. Mabry, PE

Title: SVP Government Markets

Date: 9/11/2025

ACCEPTED:

CITY OF HAYSVILLE

By: _____

Printed Name: _____

Title: _____

Date: _____

EXHIBIT A

A. Project Description:

1. The Project shall consist of Plan updates from the previous River Forest 3rd Addition along Karla Street from Delos Street to Karla Court (217002-009/010/011), Geographic Information System (GIS), and Construction Administration for Paving and water distribution within River Forest 3rd Addition in Haysville, Kansas to serve the proposed Midwest Health Assisted Living and Memory Care facility.
2. The Project delivery method is design-bid-build.

B. Anticipated Project Schedule:

1. PEC shall commence its services on the Project within 14 days after receiving CLIENT's notice to proceed.
2. PEC and CLIENT anticipate the design duration to complete Final Plans will be approximately 4 weeks after receiving the Notice to Proceed.
3. CLIENT acknowledges that directed changes, unforeseen conditions, and other delays may affect the completion of PEC's services. PEC will not have control over or responsibility for any contractor or vendor's performance schedule.

C. Project Deliverables:

1. This Project Deliverables shall consist of the following sealed by an Engineer licensed in the State of Kansas where applicable:
 - a) Final Plans (and supplemental specifications if necessary) and associated engineer's opinion of probable cost in PDF format.
 - b) GIS Shapefiles for CLIENT upload.

D. Scope of Services:

1. Civil Engineering Design Services:
 - a) Provide project correspondence and consultation with CLIENT.
 - b) Provide quality control review prior to submission of project deliverables.
 - c) Propose a construction sequence for orderly construction of the PROJECT, if determined necessary during construction.
 - d) Identify proposed easements and right-of-way that may be needed in order to construct the improvements, if determined necessary during design.
 - e) Prepare a Storm Water Pollution Prevention Plan (SWPPP) in accordance with the Kansas Department of Health and Environment (KDHE) requirements. This plan will assist in the completion of the Notice of Intent (NOI) Form.
 - f) Prepare final plans and supplemental specifications, if necessary, in accordance with the current design criteria of the CLIENT along with an engineer's opinion of probable cost:
 - i. Street improvements and incidental drainage on Karla Street from Delos Street to Karla Court.
 - ii. Water distribution to serve the Assisted Living facility and residential lots on Karla Streets.

- g) Advertise PROJECT and distribute bid documents to prospective bidders.
- h) Respond to bidder's request for information during the bidding process.
- i) Maintain bid document holders list.
- j) Attend bid opening and prepare bid tabulation.
- k) Provide bid tabulation and notice of award to CLIENT.

2. Geographic Information System (GIS) Services as follows:

- a) Convert Roadway, Water Utility, and Storm Water Sewer features from plans (AutoCAD files) to file geodatabase to enable CLIENT upload to ArcGIS online.
- b) Populate applicable attributes as identified on plans.
- c) Identify location source on utility features as "Plans."

3. Construction Administration Services:

During the construction phase PEC shall provide construction administration services for the PROJECT, when requested by the CLIENT. The scope of services will be as follows:

- a) Attend and assist in facilitating the preconstruction conference.
- b) Issue contract documents and review bonds and insurance submitted by the PROJECT awarded contractor.
- c) Review Contractor's shop drawings and material test certifications for compliance with plans and specifications.
- d) Make a maximum of two (2) visits to the PROJECT site to determine Contractor's progress and general character of the work, upon written request of CLIENT.
- e) Consult with the inspector regarding interpretations or clarifications of the plans and specifications.
- f) Provide decisions in accordance with the contract documents on questions regarding the PROJECT.
- g) Review materials test reports as submitted by the City Inspector.
- h) Prepare Change Orders covering modifications or revisions necessitated by field conditions.
- i) Conduct a final on-site PROJECT review.
- j) Issue Certificate of Substantial Completion when each separate part of the PROJECT has been completed.
- k) Issue Notice of Acceptability when the PROJECT has been completed.

E. Additional Responsibilities of CLIENT:

The CLIENT agrees to provide the following pursuant to PEC accomplishing the Scope of Services outlined herein.

- 1. Attend all PROJECT progress meetings.
- 2. Provide access to the PROJECT area property.
- 3. Provide CLIENT utility locates within the PROJECT area.
- 4. Provide prompt review of the PROJECT plans and specifications. Comments shall be returned within 14 calendar days of the preliminary plan submittal.
- 5. Drawings, studies, reports, and other information available pertaining to the existing building and site.

F. Additional Services:

The following services can be provided by PEC at an additional cost by Supplemental Agreement:

1. Production of record drawings, as-builts, or release of electronic files.
2. Design engineer construction site observations in excess of the number above will be performed on an hourly basis.
3. Analysis of existing utility systems.
4. Plan revisions, as necessary, to reduce the cost of construction after issue of CD's. (Typically referred to "Value Engineering" or "VE".)
5. Alternate designs not specifically listed in the Scope of Services.
6. Construction Staking.
7. Construction Phase Services: Includes construction staking, materials testing, and construction observation related to the project.
8. Utility Relocation/Extension Design: Includes any public utility design not included within the scope of services above.
9. Landscape Architecture: Includes landscaping plans and tree planting.
10. Develop legal descriptions and associated tract maps for the City's use in land acquisition for the construction of the proposed improvements.

G. Exclusions:

The following shall be specifically excluded from the Scope of Services to be provided by PEC.

1. Printing costs.
2. Plan review and permit fees.
3. Environmental assessments/clearances.
4. Fire protection and fire alarm design, drawings, and calculations.
5. Franchise or off-site Utility Design.
6. Platting and/or Zoning change processes. Easement abandonments and dedications.
7. Outside consultants.
8. Special inspection services. Special inspections are usually required by building codes, building officials, or designers for structural elements of the project but may include other design disciplines and testing agencies. Any special inspection services required will be covered under a separate or supplemental agreement and are not covered under standard observation services.

H. PEC's Fees:

1. PEC's Fee for its Scope of Services will be on a lump sum basis in the amount of **\$21,250.00** summarized as follows:

Project	
Paving	\$ 14,500.00
Water Distribution	\$ 6,750.00
TOTAL	\$ 21,250.00

2. Taxes are not included in PEC's Fees. CLIENT shall reimburse PEC for any sales, use, and value added taxes which apply to these services.

Re: Lakefield Addition Infrastructure Bids

A bid letting was held for the Lakefield Addition Infrastructure Project, located at the northeast corner of Meridian and 79th Street. The project includes the installation of public infrastructure necessary to serve the new development. The engineer's estimate was \$1,889,547.00.

Mies Construction	\$1,544,623.24
Nowak Construction	\$1,550,653.25
APAC-Kansas, Inc.	\$1,650,618.24
Duling Construction Co., Inc.	\$1,764,058.00
PSE Contractors, LLC	\$2,331,220.00

We are requesting authorization to approve the bid from Mies Construction in the amount of \$1,544,623.24.

Re: Asphalt and Concrete Bids for Sarah Lane Reconstruction

We have obtained bids to reconstruct the asphalt, curb and gutter, and sidewalk at the location of the Sarah Lane reinforced concrete box construction. The City will be responsible for backfilling around the structure and installing the road base prior to paving.

South Central Sealing & Paving	\$24,552.81
APAC-Kansas, Inc	\$33,835.00
Pearson Construction	\$33,806.00

We are requesting authorization to approve the bid from South Central Sealing and Paving in the amount of \$24,552.81. This will be paid with Stormwater Funds.

Tony Martinez

MEMORANDUM

TO: The Honorable Mayor Russ Kessler
Haysville City Council Members

FROM: Rob Arneson, Recreation Director

DATE: October 1, 2025

RE: Recoating Blue Slide

From the recent inspection of the Dewey Gunzelman swimming pool's blue slide needs be recoated. The interior and exterior of the blue slide has not been recoated since 2017.

We are looking to complete this project this fall with the cooler temperatures prior to the pool opening next year. After checking references I am recommending contracting with Safe Slide Restoration to recoat the interior of the slide for a total of \$27,693.00.

This will be paid out of Rec Sales Tax.

	<u>Total</u>
Safe Slide Restoration	\$27,693
Mid America Pool Renovation	\$29,350
AMC	\$29,950

This is before you for your consideration.

Haysville Halloween Decorating Contest

The City of Haysville invites all Haysville residents (within the city limits) to participate in the 2025 Halloween House Decorating Contest!

Voting will be held on the City of Haysville Facebook page. The amount of likes will determine the winners

Submit : October 1st thru 20th
Online voting: October 21st thru 28th
Winners announced: October 30th

1st Place - \$150
2nd/3rd Place - \$100

Sponsored by

CITY OF HAYSVILLE, KANSAS

TEMPORARY SPECIAL EVENT PERMIT APPLICATION

This is an application for (check all that apply):

- ☒ Temporary Special Event Permit for consumption of alcoholic liquor on Public Property.
- ☐ Temporary Special Event Permit for consumption of cereal malt beverage (CMB) on Public Property.

Section 12-115(a) of the Haysville City Code provides that the use or consumption of any cereal malt beverage or alcoholic liquor is prohibited in any park, except in conformance with a lawfully issued Special Event Permit. This application is NOT for events where alcoholic liquor or CMB is to be sold.

Name of Special Event: Kansas Orchid Society Christmas Party Requested date(s) of operation: December 7, 2025

Anticipated hours of operation of Special Event 12 pm - 5 pm

SITE DESCRIPTION: The applicant shall define the special event site by 1) the address of a permanent structure, or common name of an outdoor location, and 2) the exact boundaries of the proposed site, including any outdoor areas directly adjacent to a structure to be used as part of a site. Include a photo of any site located outside a structure, and include a site plan showing type and height of boundary structure, ingress/egress, method of restricting juvenile access, restroom access, security placement, etc.

Haysville Senior Center (facility has already been rented)

1. Applicant Information

Name of Applicant: Susie Sutton

Current address: 349 E Kay Ave

City: Haysville

State: KS

ZIP Code: 67060

Mailing address: same as above

City:

State:

ZIP Code:

Home Phone:

Mobile Phone:

2. Insurance Certification

Permittee shall furnish a **Certificate of Insurance** evidencing coverage for any damage caused by Permittee, or Permittee's agents, servants, employees, guests, invitees, volunteers and/or individuals participating in the event(s) described herein. Such Certificate of Insurance shall name "City of Haysville, Kansas, and its officers, employees and agents" as additional insureds if such special event site is located on City property and shall be in the amount of \$500,000.00 combined single limit per occurrence for bodily injury, personal injury, and property damage. Said Certificate shall be submitted to the Haysville City Clerk, 200 W. Grand, Haysville, Kansas, 67060. Said Certificate shall also contain a clause agreeing to notify City of any material change or cancellation of insurance before such is effective. Failure of Permittee to provide City an approved Certificate of Insurance prior to use of above described recreational area, public area, facility or roadway, shall cancel and make void this permit. Permittee agrees to **indemnify and hold harmless** City, its agents, servants, employees or invitees, from and against any and all claims of every kind or character for injuries and/or damages to persons and/or property arising out of or in connection with the use and occupancy of any streets, easements, structures or public areas within the City, and not caused by City negligence. City shall give to Permittee notice of any claim made or litigation instituted which directly or indirectly, contingently or otherwise in any way affects or might affect Permittee. Permittee shall have the right to compromise and participate in the defense of the same to the extent of their own interests. **Tort Claims Applicability, Reimbursement for Damage:** I understand that the City of Haysville does not assume liability for any loss or damage associated with the aforescribed activity permitted to be operated within Haysville parks or in/on public property/roadways pursuant to this permit as part of a recreational or community event, and understand that this permit is approved subject to applicability of the provisions of K.S.A. 75-6104. Permittee shall reimburse City for any cost associated with damage to a public facility, area, or roadway that exceed normal or routine maintenance requirements. Upon review of the event scope, the Mayor or Chief Administrative Officer may waive or alter the insurance requirement.

*Please see below

The following additional requirements shall apply when determined applicable by authorized City Staff. Such additional requirements may require separate Agreement.

☐ Designated Parking Area ☐ Trash Containers ☐ Site Clean-up
☐ Portable Restrooms ☐ Barricades for Streets ☐ Security
☐ Other _____

I, hereby agree to comply with all of the ordinances of the City of Haysville and the laws of the State of Kansas, and all the rules and regulations prescribed by the City relating to the operation of the identified "temporary event", and I agree to notify the City immediately if any information provided on this application shall change at any time prior to or during the term of the permit, and do hereby further consent to the immediate revocation of my permit, by the proper officials, for any violation of such laws, rules and regulations. I authorize the verification of the information provided on this form AND agree to permit an investigation of my business history, criminal background, and any other screening by or on behalf of the City of Haysville, Kansas, for the limited purpose of determining the truthfulness of this application, as provided by the law of the State of Kansas, and the City of Haysville, Kansas. By signing this document I certify the foregoing information is true and I am aware that any falsification on this form and any attachments hereto is cause for revocation of the permit or license issued as a result thereof.

*We respectfully request that the requirement for the certificate of insurance be waived; we do not carry this type of insurance. The purpose of this application is to allow our members to enjoy a glass of wine with their Christmas dinner. This is a fairly calm party that has been held at this facility for the last few years without incident; we have always followed the rules of the facility. We appreciate your consideration of this request.

Respectfully,
Susie Sutton
