

CITY OF HAYSVILLE – BROADWAY CORRIDOR FACADE GRANT APPLICATION

Grant Overview:

The Broadway Corridor Facade Grant provides financial assistance to qualifying commercial and industrial businesses located on Broadway or within 300 feet of the Broadway Corridor for permanent exterior improvements. The program is designed to encourage reinvestment in this key commercial corridor by enhancing building appearance, improving curb appeal, strengthening business vitality, and creating a more welcoming gateway into Haysville. Approved projects must be completed within three (3) months of award. Some improvement projects may require City permits. If a permit is required, the property may need to be appropriately platted before permits can be issued. Applicants are encouraged to contact the Planning & Zoning Department with any questions regarding permit or platting requirements. Please review the grant guidelines before applying.
