CAPTAIN EASEMENT: DEFENDER OF THE RIGHT-OF-WAY!

UTILITY EASEMENT and RIGHT OF WAY

Utility easements are areas of a property for utility companies to deliver services such as electricity, gas, water, sanitary sewer, telephone, internet and cable. The land belongs to the homeowner, but utilities can access easements to perform routine maintenance, construct improvement projects and repair utility lines during emergencies.

The right of way is property for public infrastructure like roadways, storm sewers, sidewalks and streetlights. The state also allows utility providers to use the public right of way for their facilities.

REPORTING?

To report unattended easement(s) call Haysville Code Enforcement at 316-529-5940 or visit the City's website at:

HTTPS://WWW.HAYSVILLEKS.GOV/CODE-ENFORCEMENT

You can also "Report an Issue" on the City's website.

RESPONSIBILITY?

EASEMENTS

Each homeowner, resident or tenant is responsible for regularly mowing and removing debris, litter and obstructions from their portion of easement(s) behind or beside their property.

RIGHT OF WAY MAINTENANCE

Each homeowner, resident or tenant is responsible for regularly mowing and removing debris, litter and obstructions from the center line of the roadway, to their property line.
