## **Independent Auditor's Report**

The Mayor and City Council City of Haysville, Kansas

## Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of City of Haysville, Kansas, as of and for the year ended December 31, 2024, and the related notes to the financial statement.

## Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Haysville, Kansas as of December 31, 2024, or changes in financial position and cash flows thereof for the year then ended.

## **Unmodified Opinion on Regulatory Basis of Accounting**

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Haysville, Kansas as of December 31, 2024, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in *Note 1*.

#### Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City of Haysville, Kansas and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

#### Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in *Note 1* of the financial statement, the financial statement is prepared by the City of Haysville on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in *Note 1* and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in *Note 1*; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Haysville, Kansas' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the City of Haysville, Kansas' internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Haysville, Kansas' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and expenditures-agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

| Total reporting entity (excluding Agency Fund) | \$ 10,751,344 |

## Note 1. Summary of Significant Accounting Policies

This summary of significant accounting policies of the City of Haysville, Kansas (the City) is presented to assist in understanding the City's financial statement. The financial statement and notes are representations of the City's management, who is responsible for their integrity and objectivity.

#### Reporting Entity

The City of Haysville, Kansas is incorporated under the laws of the State of Kansas. The City operates under a Mayor-Council form of City government consisting of an elected Mayor and eight council persons and provides services to the citizens in the areas of highways and streets, water and wastewater treatment services, public improvement, public safety, planning and zoning, recreation, and general administrative services.

The financial statement presents the City of Haysville, Kansas (a municipal financial reporting entity) and its related municipal entity, the Haysville Community Library. The related municipal entity is included in the City's reporting entity because it was established to benefit the City and/or its constituents.

A seven-member board appointed by the Mayor with approval by the City Council governs the Haysville Public Library Board. The Haysville Public Library Board operates the Haysville Community Library (the Library). The Library Board may not purchase or lease a site or erect a building for the use of the Library without the approval of the City Council. The Library Board taxes are levied under the taxing authority of the City and are included as part of the City's total tax levy. The taxes are accounted for in the Library Special Purpose Fund of the City. The Library Board also receives funding through the state assistance programs and donations from the public.

#### Regulatory Basis Fund Types

The financial activities of the City are recorded and presented on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts established for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The following types of funds comprise the financial activities of the City of Haysville, Kansas for the year 2024:

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Funds – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project Funds – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Funds – funds financed in whole or in part by fees charged to users of the goods or services (*i.e.*, enterprise and internal service fund, etc.).

Agency Fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

#### Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

## Note 2. Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1.
- 2. Publication in local newspaper on or before August 5 of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25.

If the municipality is holding a revenue neutral rate hearing, the budget timeline for the public hearing is adjusted to no sooner than August 20th and no later than September 20th, but at least ten days after all statutory notification and publication requirements have been met. Municipal budgets requiring a hearing to exceed the revenue neutral rate should be adopted on or before October 1st but may not be adopted prior to the revenue neutral rate hearing. The municipality did hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were two budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

## City of Haysville, Kansas Notes to Financial Statements For the Year Ended December 31, 2024

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures including disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, trust funds and the following special purpose funds:

Office Equipment Reserve

Haysville Historical

Program for the Aged

Federal Law Enforcement Trust

City Law Enforcement Trust

**ARPA Grant** 

Sustainability Grant

Special Highway Improvement Reserve

Park Improvement Reserve

**Equipment Reserve** 

Sales Tax Street Reserve

Sales Tax Park Reserve

Sales Tax Recreation Reserve

Sales Tax Park and Recreation

Fall Festival

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

#### Note 3. Defined Benefit Pension Plan

#### General Information About the Pension Plan

Plan description. The City and Library participate in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, Kansas 66603) or by calling 1.888.275.5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 9.26% for KPERS and 23.10% for KP&F for the fiscal year ended December 31, 2024. Contributions to the pension plan from the City and Library were \$308,822 and \$47,513, respectively, for KPERS and \$351,012 for KP&F for the year ended December 31, 2024.

#### **Net Pension Liability**

At December 31, 2024, the City and Library's proportionate share of the collective net pension liability reported by KPERS was \$2,894,858 and \$236,979, respectively, and \$3,173,565 for KP&F. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2023, which was rolled forward to June 30, 2024. The City and Library's proportion of the net pension liability was based on the ratio of the City and Library's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

## Note 4. Other Post-Employment Benefits

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

## Note 5. Compensated Absences

#### Vacation

All employees in a regular position with the City are granted vacation leave credited annually on the employee's anniversary (hire-in) date as follows:

1 year40 working hours2-5 years80 working hours6-11 years120 working hours12-19 years160 working hours20 years and over200 working hours

An employee leaving the employment of the City shall receive pay for vacation credited and unused to the date of his/her separation or resignation, provided he/she has been in service of the City for at least one year.

#### Sick Leave

All employees in a regular position with the City shall be granted on the basis of eight hours per month. Sick leave may be accumulated to a maximum of 800 hours. Any employee accumulating more than eight hundred hours may, by November 15, request to receive 50% sick leave pay for hours in excess of eight hundred or take 50% vacation for the hours in excess of eight hundred. If the 50% vacation is elected, the time off must be taken within the next calendar year. Upon voluntary termination of employment, if two weeks' notice has been given, an employee may receive pay for one-half of credited sick leave. If an employee resigns without giving two weeks' notice, no payment for sick leave will be made. If the employer terminates employment, no payment for sick leave will be made. An employee retiring from City service shall receive pay for all accrued, credited sick leave.

#### Note 6. Deposits

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2024.

At December 31, 2024, the City's carrying amount of deposits was \$10,578,736 and the bank balances were \$10,628,731. The bank balances were held by INTRUST Bank, N.A. and Community Bank resulting in a concentration of credit risk. Of the bank balances, \$750,000 was covered by federal depository insurance and the remaining amount was collateralized with securities held by the pledging financial institutions' agents in the City's name.

The City's related municipal entity, the Haysville Community Library, at December 31, 2024, had a carrying amount of deposits of \$172,608 and a bank balance of \$250,438. \$250,000 of the bank balance was covered by federal depository insurance and the remaining amount was collateralized with securities held by the pledging financial institutions' agents in the Haysville Community Library's name.

## Note 7. Risk Management

The City carries commercial insurance for risks of loss, including property, liability, crime, inland marine, automobile and workers' compensation. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

#### Note 8. Interfund Transfers

Operating transfers per K.S.A. 10-117a, 12-825d, 12-1,117, 12-1-118, 12-631o, were as follows:

| From  | То                                  | Amount |           |  |
|---|-------------------------------------|--------|-----------|--|
| Multi-Year Capital Improvement Plan           | Bond and Interest                   | \$     | 65,695    |  |
| General                                       | Multi-Year Capital Improvement Plan |        | 1,047,305 |  |
| General                                       | Municipal Pool                      |        | 80,000    |  |
| Stormwater                                    | General                             |        | 27,287    |  |
| Stormwater                                    | Equipment Reserve                   |        | 6,067     |  |

# Note 10. Litigation Contingencies

The City is a party to various claims, none of which is expected to have a material financial impact on the City. Events could occur that would change this estimate materially in the near term.

#### Note 11. Self-Insurance Claims

The City established a limited risk management program for employees' health care insurance that runs from July 1 through June 30 each year. The program includes a stop-loss provision for claims over \$50,000 per individual and aggregate claims over \$1,000,000 from July 1, 2023 through June 30, 2024, and a stop-loss provision for claims over \$50,000 per individual and aggregate claims over \$1,000,000 for July 1, 2024 through June 30, 2025. The estimated liability for payment of incurred (both reported and unreported) but unpaid claims are recorded in the Risk Management fund. Claim liabilities are calculated considering the effects of inflation, recent claim settlement trends, including frequency and amount of payouts, and other economic and social factors. Liabilities related to risk of loss are reported when it is probable that a loss has occurred and the amount of loss can be reasonably estimated.

## Note 12. Stewardship, Compliance and Accountability

K.S.A. 9-1402 and 9-1405 requires that deposits with statutorily authorized financial institutions are adequately secured. The City and Library bank accounts in total exceeded the federal depository insurance amount of \$250,000 during 2024. Some of the remaining amount was collateralized with securities held by the pledging financial institutions' agents in the City's and Haysville Community Library's name.

Note 13. Long-Term Debt

Changes in long-term debt for the City for the year ended December 31, 2024, were as follows:

| Issue                        | Interest<br>Rates | Date of<br>Issue | Amount<br>of<br>Issue |
|------------------------------|-------------------|------------------|-----------------------|
| General Obligation Bond      |                   |                  |                       |
